RE: Notification of administrative label changes including 1) revision of warranty statement for Compliance with Oct 2006 EPA guidelines, omission of "800-CLEANUP" from disposal instructions, and company address change
EPA Registration Number: 802-415
Date of Submission: August 31, 2007

Dear Ms. Horton:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated August 31, 2007, for the product Lilly/Miller Superior Type Spray Oil. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action(s) requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-6249 or Joyce Edwards of my staff at 703-308-5479.

Sincerely,

Theresa Stone for

Linda Arrington

NOTIFICATION

SEP 28 2007

Explanation: Use additional page(s) if necessary. (For section I and Section II.)

NOTIFICATION of administrative label changes including revision of Warranty Statement for compliance with Oct. 2006 EPA guidelines, omission of "800 CLEANUP" from disposal instructions, and company address change -- as highlighted. Submission of 2 copies of final printed label.

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the Confidential Statement of Formula of this product. Lilly Miller Brands understands that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA, and further understands that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and Lilly Miller Brands may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Keep out of reach of children

CAUTION

See back/side/other panel(s) for additional Precautionary Statements and First Aid

NET CONTENTS 1 QUART (946 ml)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

FIRST AID

Have product container or label with you when calling a poison control center or doctor, or going for treatment.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to a person. Do not give anything to an unconscious person.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

NOTE TO PHYSICIAN: Contains petroleum distillate. Vomiting may cause aspiration pneumonia.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water when disposing of equipment washwaters. Apply this product only as specified on this label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only. Not for indoor use. SHAKE WELL BEFORE USING.

USE PRECAUTIONS

For foliage application the spray tank must be free of any sulfur residue before using this material. Do not combine sulfur sprays with this material on foliage during spring and summer months and do not follow a previous application of sulfur or apply sulfur following an application of this material until sufficient time has elapsed for safety (at least 30 days). If in doubt, spray a portion of one tree previously treated with sulfur using 2 1/2 Tbsp. oil to 1 gallon of water (1 quart of oil to 25 gallons of water). If sufficient time has not elapsed, burn will show in several days.

Do not use oil spray when temperatures are above 90 degrees F. When temperatures drop below 32 degrees F during night, do not spray tree and vine crops until daytime temperatures have warmed to a point above 35 degrees F and crops are free from moisture due to melting frost or heavy dews.

Do not use on foliage closer than 60 days after or 90 days before using CAPTAN or PHALTAN* products. Do not use in combination with SEVIN* [carbaryl]. Application to trees weakened by disease, drought, drying winds, or high nitrogen applications may result in oil injury.

*PHALTAN is the registered trademark for phthalimide fungicide. *SEVIN is the reg. T.M. of Rhone-Poulenc for carbaryl insecticide.

*Delayed Dormant--The period just before blossom buds break open.

**Buckshot--Young olives about the size of peas.

NOTE: This product may be combined with Lilly/Miller Polysul Summer & Dormant Spray for use as a dormant combination spray. Refer to the Lilly/Miller Polysul label for recommended rates.

STORAGE AND DISPOSAL

Store this product in its original container and keep out of reach of children and domestic animals. If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

Alternate use directions for container with hose-end sprayer attached, labeled with dormant season application rates only:

For best results, completely cover all twigs, branches and trunk with spray.

To control both insects and diseases, [EPA Reg. No. 801-415] and [EPA Reg. No. 802-73] can be used together. Spray [EPA Reg. No. 802-73] first and allow it to dry completely, usually 24 hours. Then spray [EPA Reg. No. 802-415].

HOW DO I USE THIS PRODUCT?

1. Shake container well.
2. Remove the child-resistant closure and save it for resealing the container when you are finished.
3. Insert the dip tube of the hose-end applicator into the bottle and seal the applicator head tightly to the bottle.
4. Connect spray nozzle to garden hose.
5. Turn on the water from the faucet.
6. When you are ready to spray, turn the knob on top so that it points to the MIX position on the spray head. *(Fig. 1)*
7. The spray deflector on the front of the hose-end applicator can be rotated to give a stream or fan spray. *(Fig. 2)*

TO STOP SPRAYING:

1. When you are finished spraying or if you have to stop spraying at any time, turn the knob back to the OFF position. *(Fig. 3)*
2. Turn off the water from the faucet.
3. Turn the knob to H2O then OFF, to drain the water from the hose. *(Fig. 4)*
4. Unscrew spray nozzle from hose. Remove hose-end from container.
5. Reseal the container with the child-resistant closure. Rinse the hose-end applicator.

NOTICE: Follow directions carefully. Timing and method of application, weather or crop conditions, mixtures with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the seller. To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

For information on this pesticide product (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Information Center at 1-800-858-7378. All other inquiries: info@excelmktg.com.

Re: Notification of Administrative Label Changes / Submission of Final Printed Labels
EPA Reg. No. 802-415, Lilly Miller Superior Type Spray Oil

Attn: Linda Arrington
Notifications & Minor Formulations Team Leader

On behalf of Lilly Miller Brands of Walnut Creek, California, enclosed is notification of minor administrative label changes – to include:

- 1) Updating Company Address
- 2) Revising Warranty Statement for compliance with October 2006 Agency guidelines
- 3) Omission of "800 CLEANUP" from disposal text
- 4) Addition of NPIC telephone contact information

All areas of revision are highlighted for your convenience in review.

Additionally, this serves as submission of 2 copies of the final, printed container label for Agency records prior to distribution.

If additional action or information is required on behalf of Lilly Miller Brands, please advise.

Best regards,

Rebecca M. Horton
