PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Keep out of reach of children. May be fatal if swallowed or inhaled. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Do not allow the product or diluted mixture to contact the edible portion of any food or feed crop. Wash thoroughly after using.

This pesticide may be fatal to children and dogs or other pets if eaten. Keep out of reach of children and pets. Protect dogs from treated areas since they may be attracted to this product when applied. Do not allow children and pets to play on treated areas until residues have dried.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. ANTIDOTE: Artificial respiration: Keep chest and lower extremities warm. Digitalis hypodermically; 10 gr. calcium glucomate intravenously.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to birds and other wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, streams or ponds. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

GO WEST SLUG KILLER controls snails and slugs in the lawn and garden. Begin applications as early as February and continue with treatments as needed into the fall.

Covers up to 1,000 square feet. See collar tag for complete directions.

HOW TO USE: SHAKE WELL BEFORE USING

- 1. Connect spray nozzle to garden hose. Be sure that valve is in "off"
