 *Equivalent to 9.75% Iron as Metallic

CAUTION—Keep out of reach of children. See back panel for additional cautions.
 E.P.A. Reg. No. 802-509-AA

DIRECTIONS FOR USE

MOSS IN LAWNS AND TURF

1. Mix at the rate of 1 pint Lilly's MOSS-OUT in 3 gallons of water for each 125 sq. ft. to be treated.
2. Apply with plastic sprinkling can or hose-end sprayer.
3. Sprinkle or spray moss areas, soaking the moss growth well. Results can be seen by darkening or blackening of moss. Action is most rapid in warm, dry weather.
4. Rinse equipment with water after use.
5. To improve appearance of lawn or turf, dead moss may be raked out a few days after treating.
6. As a preventive treatment, use Lilly's MOSS-OUT at the rate of 1 pint in 3 gallons of water for 300 sq. ft. and apply at first sign of moss re-growth.
7. **IMPORTANT** — Lilly's MOSS-OUT is for use on lawn or turf only. Careless or accidental contact with concrete, brick, tile, or painted surfaces can cause severe staining. Since Lilly's MOSS-OUT can cause corrosion to galvanized metal, *apply only with plastic sprinkling can or hose-end sprayer.*

Please read entire label. Use only as directed. Observe all cautions and precautions.

CAUTION Harmful if swallowed. Avoid contact with skin, eyes or clothing. In case of contact, flush with plenty of water; for eyes get medical attention. Wash hands thoroughly after using.

Apply only with plastic sprinkling can or hose-end sprayer. Rinse equipment thoroughly with water after using.

This product is toxic to fish. Keep out of lakes, streams, or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes.

Destroy empty container. Do not reuse for any purpose.

WARRANTY The use of this material being subject to conditions beyond our knowledge and control, the seller makes no warranty of any kind, express or implied, concerning the effects of this product, when not used in accordance with directions.
