READY-TO-USE
Pressurized Spray
Keep from Freezing
Contains amines of 2,4-D, Mecoprop and Dicamba

Keep out of reach of children
CAUTION
See left side panel for additional cautions.

NET WT. 1 LB. 1 3/4 OZ.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. When using this product, wear chemical resistant gloves, goggles, long-sleeved shirt, long pants, socks, shoes and rubber gloves. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists. After using this product, rinse gloves before removing, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as soon as possible and shower. Do not allow people (other than applicator) or pets on treatment area during application. Do not reenter or permit others to reenter treated areas until sprays have dried.

ENVIRONMENTAL HAZARDS: Do not apply when weather favors drift from target area. This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and nontarget plants. Do not apply directly to water or wetlands (swamps, bogs, marshes, and potholes). Do not contaminate water when disposing of equipment washwaters.

PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 degrees F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Keep this product in a locked storage area out of reach of children and domestic animals. Replace cap and securely wrap original container in several layers of newspaper and discard in trash. Do not incinerate or puncture.

USE PRECAUTIONS

Avoid spraying desirable plants (flowers, shrubs, etc.). Bentgrass, Carpetgrass, Dichondra and St. Augustine Grass may be injured if contacted. Do not apply within the drip line of desirable plants.

Use to "spot treat" weeds in the lawn. For best results, apply when weeds are actively growing. Do not water within 24 hours after spraying.

Pennywort

Pigweed

Sheep Sorrel

Yarrow

Buttercup

Oxalis

Shepardspurse

Shake container well before using.

Lawn & Turf Weed Bomb is designed to permit easy treatment of lawn weeds without bending or stooping. Invert can, aim at weed and press valve. Only a short burst is needed. Overspraying only wastes the spray.

Effects begin to show after a few days and weeds gradually die. Up to 4 weeks may be required for complete kill. Repeat in 3-4 weeks if necessary.

NOTICE: Seller makes no warranty expressed or implied concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
