WHEN TO USE

To assure effective control apply when weeds are actively growing. Use only clean water. Repeat application may be necessary to control hard to kill weeds and grasses. For best results spray on a sunny day when the daytime temperature is at least 60° F. Apply only if the air is calm and rainfall is not expected within 12 hours. **Do not use on or around edible food or food crops.**

HOW TO USE [illegible]

Tank Sprayer [illegible] Lilly Miller KNOCKOUT Weed & Grass Killer per gallon of water. Apply to actively growing weeds & grasses. Thoroughly wet foliage but do not apply to the point of runoff. Avoid spray drift to desirable plants. When using a tank sprayer work at the lowest possible pressure and avoid a fine mist pattern.

NOTE: A GALVANIZED OR UNLINED steel sprayer is not recommended. However if used any spray solution applied that day must be emptied and the sprayer rinsed.

Hose-End Sprayer [illegible] Lilly Miller Knockout Weed & Grass Killer per gallon of water in a hose end sprayer and [illegible] Shake well before and occasionally during use and spray [illegible] Do not add water to jar.

DILUTION TABLE

Use this amount of Lilly Miller KNOCKOUT Weed & Grass Killer	In this amount of water	Area to treat
6 fl. oz. (3/4 cup)	1 gallon	330 sq. ft.
12 fl. oz. (1½ cups)	2-3 gallons	660 sq. ft.
24 fl. oz. (3 cups)	4 gallons	1,330 sq. ft.
32 fl. oz. (1 qt.)	5-8 gals.	2,330 sq. ft.

For SPOT TREATMENT of lawns and around trees and shrubs a hand type pressure sprayer is recommended using above dilution table. If using a plastic quart size trigger sprayer add 3 fl. oz. (6 tbsps.) per 1 quart of clean water. Spray carefully taking caution not to contact foliage of desirable vegetation.

For LAWN RENOVATION follow Tank Sprayer or Hose End Sprayer directions for overall spray treatment. Area can be reseeded 7 days after treatment directly into the dead grass stubble.

IMPORTANT: This product is not selective and can injure or destroy any vegetation contacted. Avoid spray or drift contact with desirable lawn grasses, flowers, shrubs or trees. If accidental drift does contact foliage or green tissue of desirable vegetation, wash off **immediately** with water.

NOTICE: Seller makes no warranty expressed or implied concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and handling of this material when such use and or handling is contrary to label instructions.
