LILLY/MILLER
MOSS OUT GRANULES
BLACKENS & CONTROLS MOSS

95.7%

*guaranteed
mossy*

ACTIVE INGREDIENT:

Ferrous Sulfate, Monohydrate 95.7%

INERT INGREDIENTS 4.3%

Keep out of reach of children
CAUTION

See side panel for additional precautionary statements

NET WEIGHT: 5 LBS.

PRECAUTIONARY STATEMENTS

Hazards To Humans & Domestic Animals

CAUTION: Harmful if swallowed. Avoid contact with skin, eyes or clothing. In case of contact immediately flush eyes or skin with plenty of water.

ENVIRONMENTAL HAZARDS

Do not add directly to water or wetlands. Do not contaminate water by cleaning of equipment or disposal of wastes.

Control moss with *MOSS OUT GRANULES*. Moss competes with the turf and creates thin areas in the grass. It also causes an excessive buildup of thatch. The best time to control moss is when it is actively growing, usually in the fall or early spring. Application of *MOSS OUT GRANULES* will cause some greening. For even grass color and more thorough moss control, apply to the entire lawn area.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

PREPARE THE LAWN

- Apply anytime moss is actively growing. Treatment in fall or early spring is most effective.
- Water lawn thoroughly the day before treatment.
- Cut grass and remove clippings.

TREAT THE MOSS

- Apply *MOSS OUT GRANULES* to lawn area. For heavy infestations use 5 lbs. per 2,000 sq. ft. (2 1/2 lbs. per 1000 sq. ft.); for lighter infestations use 5 lbs. per 2500 sq. ft. (2 lbs. per 1000 sq. ft.) 1 cup weighs approximately 1 oz.
- For spot treatment, sprinkle granules over mossy areas in lawn. Use diagram below as a guide for application rate.
- Immediately after making application water treated areas

7404-4 1 lb per 2500 sq ft diluted in water

some type of instruction except NO fertilizer

thoroughly.

Wait several days and rake out dead moss.

FOR A HEALTHY LAWN

Use Lilly/Miller Super Rich or UltraGreen fertilizers as directed throughout the growing season. A healthy, well-nourished lawn will better resist invasion by moss.

GRASS BACK

Sow grass seed in bare spots or thin areas with Lilly/Miller ~~Fe-Seed~~.

USE PRECAUTIONS

MOSS OUT GRANULES

will stain concrete and burn ornamentals.

In case of accidental contact: Cement surfaces - Immediately sweep away

MOSS OUT GRANULES

and flush area with water.

Shrubs, Flowers, Ground covers - Use a hose to wash material off plants right away. ✓

STORAGE AND DISPOSAL

Store this product in its original container and keep in a locked storage area out of reach of children and domestic animals. Do not reuse bag. Securely wrap container in several layers of newspaper and discard in trash.

NOTICE: Seller makes not warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
