 Portland, OR 97283-0179

Dear Ms. Mills:

Subject: Revised Draft Labels - Section 6(a)(2) Eye Irritation Study
 Lilly/Miller Moss Out Granules
 EPA Reg. No. 802-558
 Your Submission Dated September 29, 1998

I reviewed the draft labels of the referenced product submitted in response to an Agency letter dated August 31, 1998. The labeling, referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable, provided that the following revision is made:

- Under the "Directions for Use", change, "For household use only" to "For outdoor residential use only".

A stamped copy of the label is enclosed for your records. Please submit one (1) final printed copy of the label, incorporating the above revision, before you release the product for shipment.

Sincerely yours,

Joanne I. Miller

SPOT TREATMENT FOR MOSS IN LAWNS

ACTIVE INGREDIENT:

Ferrous Sulfate, Monohydrate 95.4%
INERT INGREDIENTS 4.6%

Keep out of reach of children

DANGER

See side panel for additional precautionary statements

NET WEIGHT 3 1/2 LBS. (1.5 kg)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes irreversible eye damage. Do not get in eyes or on clothing. Wear protective eyewear (safety glasses). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Harmful if swallowed or inhaled. Avoid breathing dust.

FIRST AID

IF IN EYES: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention. IF SWALLOWED: Call a doctor or get medical attention. Do not induce vomiting or give anything by mouth to an unconscious person. Drink promptly a large quantity of milk, eggwhites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

ENVIRONMENTAL HAZARDS

Do not add directly to water. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only.

Control moss with MOSS OUT GRANULES. Moss competes with the turf and creates thin areas in the grass. It also causes an excessive buildup of thatch. The best time to control moss is when it is actively growing, usually in the fall or early spring.

PREPARE THE LAWN

1. Apply anytime moss is actively growing. Treatment in fall or early spring is most effective.
2. Water lawn thoroughly the day before treatment.

3. Cut grass and remove clippings.

TREAT THE MOSS

- 1. For spot treatment, sprinkle granules over mossy areas in lawn. Use diagram as a guide for application rate.
- 2. Immediately after making application, water treated areas thoroughly.
- 3. Wait several days and rake out dead moss.

FOR A HEALTHY LAWN

Use Lilly/Miller Super Rich or ULTRAGREEN fertilizers as directed throughout the growing season. A healthy, well-nourished lawn will better resist invasion by moss.

Sow grass seed in bare spots or thin areas with Lilly/Miller Grass Back.

FOR MOSS CONTROL AROUND FLOWERS AND ORNAMENTAL SHRUBS

Apply anytime moss is actively growing. Thoroughly water area to be treated the day before treatment. Sprinkle granules over mossy areas. See diagram for application rate. Immediately after making application, water treated areas thoroughly. Wait several days and carefully rake out dead moss. IMPORTANT: MOSS OUT GRANULES will burn foliage if applied directly to plants. If contact occurs, use a hose to wash material off plants right away.

USE PRECAUTIONS: Keep this product off sidewalks, patios, driveways, etc. This product contains iron for moss control which will stain concrete and painted surfaces. If it comes in contact with concrete surface, sweep off immediately before flushing with water. If concrete is wet when contact occurs, staining may be impossible to prevent.

STORAGE AND DISPOSAL

STORAGE: Store this product in its original container and keep in a locked storage area out of reach of children and domestic animals. DISPOSAL: Do not reuse container. Securely wrap container in several layers of newspaper and discard in trash.

Filled by weight not by volume. Product may settle after packaging.

NOTICE: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
