U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
802-558

Date of Issuance:
JAN 27 2000

Term of Issuance:
Conditional

NOTICE OF PESTICIDE:
Registration
 Reregistration

Name of Pesticide Product:
Lilly/Miller Moss Out
Granules

(under FIFRA, as amended):

Name and Address of Registrant (include ZIP Code):

The Chas. H. Lilly Company
P.O. Box 83179
Portland, OR 97283-0179

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally reregistered in accordance with FIFRA Section 4(g)(2)(C). Reregistration under this section of the Act does not eliminate the need for continual assessment of the registration of this product. Reregistration base on your response to the EPA Reregistration Eligibility Decision (RED) is conditional until you:

1. Make the following label changes:

a. Under the "Directions for Use", change, "For Household Use Only" to "For Outdoor Residential Use Only."

Signature of Approving Official:

Date:

JAN 27 2000

LILLY/MILLER
MOSS OUT GRANULES

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.
802-558

SPOT TREATMENT FOR MOSS IN LAWNS

ACTIVE INGREDIENT:

Ferrous Sulfate, Monohydrate 95.4%
INERT INGREDIENTS 4.6%

Keep out of reach of children

DANGER

See side panel for additional precautionary statements

NET WEIGHT 3 1/2 LBS. (1.5 kg)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes irreversible eye damage. Do not get
in eyes or on clothing. Wear protective eyewear (safety
glasses). Wash thoroughly with soap and water after handling.
Remove contaminated clothing and wash clothing before reuse.
Harmful if swallowed or inhaled. Avoid breathing dust.

FIRST AID

IF IN EYES: Hold eyelids open and flush with a steady, gentle
stream of water for 15 minutes. Get medical attention. IF
SWALLOWED: Call a doctor or get medical attention. Do not
induce vomiting or give anything by mouth to an unconscious
person. Drink promptly a large quantity of milk, eggwhites,
gelatin solution, or if these are not available, drink large
quantities of water. Avoid alcohol. IF INHALED: Remove victim
to fresh air. If not breathing, give artificial respiration,
preferably mouth-to-mouth. Get medical attention.

ENVIRONMENTAL HAZARDS

Do not add directly to water. Do not contaminate water when
disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner
inconsistent with its labeling. For household use only.

Control moss with MOSS OUT GRANULES. Moss competes with the turf
and creates thin areas in the grass. It also causes an excessive
buildup of thatch. The best time to control moss is when it is
actively growing, usually in the fall or early spring.

PREPARE THE LAWN

1. Apply anytime moss is actively growing. Treatment in fall or
early spring is most effective.
2. Water lawn thoroughly the day before treatment.

3. Cut grass and remove clippings.

TREAT THE MOSS

1. For spot treatment, sprinkle granules over mossy areas in lawn. Use diagram as a guide for application rate.
2. Immediately after making application, water treated areas thoroughly.
3. Wait several days and rake out dead moss.

FOR A HEALTHY LAWN

Use Lilly/Miller Super Rich or ULTRAGREEN fertilizers as directed throughout the growing season. A healthy, well-nourished lawn will better resist invasion by moss.

Sow grass seed in bare spots or thin areas with Lilly/Miller Grass Back.

FOR MOSS CONTROL AROUND FLOWERS AND ORNAMENTAL SHRUBS

Apply anytime moss is actively growing. Thoroughly water area to be treated the day before treatment. Sprinkle granules over mossy areas. See diagram for application rate. Immediately after making application, water treated areas thoroughly. Wait several days and carefully rake out dead moss. IMPORTANT: MOSS OUT GRANULES will burn foliage if applied directly to plants. If contact occurs, use a hose to wash material off plants right away.

USE PRECAUTIONS: Keep this product off sidewalks, patios, driveways, etc. This product contains iron for moss control which will stain concrete and painted surfaces. If it comes in contact with concrete surface, sweep off immediately before flushing with water. If concrete is wet when contact occurs, staining may be impossible to prevent.

STORAGE AND DISPOSAL

STORAGE: Store this product in its original container and keep in a locked storage area out of reach of children and domestic animals. DISPOSAL: Do not reuse container. Securely wrap container in several layers of newspaper and discard in trash.

Filled by weight not by volume. Product may settle after packaging.

NOTICE: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
