NET WEIGHT 5 LBS. (2.2 kg)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes irreversible eye damage. Do not get in eyes or on clothing. Wear protective eyewear (safety glasses). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. Harmful if swallowed or inhaled. Avoid breathing dust.

FIRST AID

Have product container or label with you when calling a poison control center or doctor, or going for treatment. If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. If on skin or on clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 15 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS

Do not add directly to water. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For outdoor residential use only.

USE PRECAUTIONS: Keep this product off sidewalks, patios, driveways, etc. This product contains iron for moss control which will stain concrete and painted surfaces. If it comes in contact with concrete surface, sweep off immediately before flushing with water. If concrete is wet when contact occurs, staining may be impossible to prevent.

Control moss with **MOSS-OUT GRANULES**. Moss competes with the turf and creates thin areas in the grass. It also causes an excessive buildup of thatch. The best time to control moss is when it is actively growing, usually in the fall or early spring.

PREPARE THE LAWN

1. Apply anytime moss is actively growing. Treatment in fall or early spring is most effective.
2. Water lawn thoroughly the day before treatment.
3. Cut grass and remove clippings.

TREAT THE MOSS

1. For spot treatment, sprinkle granules over mossy areas in lawn. Use diagram as a guide for application rate.
2. Immediately after making application, water treated areas thoroughly.
3. Wait several days and rake out dead moss.

Application rate diagram

FOR A HEALTHY LAWN

Use Lilly/Miller **SUPER RICH®**, **ULTRAGREEN®**, or **RAPID GREEN™** fertilizers as directed throughout the growing season. A healthy, well-nourished lawn will better resist invasion by moss.

Sow grass seed in bare spots or thin areas with Lilly Miller Grass Back! Lawn Repair.

FOR MOSS CONTROL AROUND FLOWERS AND ORNAMENTAL SHRUBS

Apply anytime moss is actively growing. Thoroughly water area to be treated the day before treatment. Sprinkle granules over mossy areas. See diagram for application rate. Immediately after making application, water treated areas thoroughly. Wait several days and carefully rake out dead moss. **IMPORTANT: MOSS-OUT GRANULES** will burn foliage if applied directly to plants. If contact occurs, use a hose to wash material off plants right away.

STORAGE AND DISPOSAL

Store this product in its original container and keep out of reach of children and domestic animals. If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

Filled by weight not by volume. Product may settle after packaging.

NOTICE: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

Satisfaction guaranteed: If for any reason you are not satisfied with this product, send proof of purchase to the address shown and we will gladly refund your purchase price.
