Nell Lange-Luttig
 The Chas H. Lilly Co.
 P.O. Box 83179
 Portland, OR 97283

Dear Ms. Lange-Luttig:

Subject: Revised Label Claims
 Lilly/Miller Ready-To-Use Knock Out II
 EPA Registration No. 802-572
 Your Submission Dated September 13, 1995

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with the following provisions:

- 1) The percentages in the Ingredients statement should be aligned by the decimal point.
- 2) Since this product is now intended for homeowner use only, revise the second sentence of the Environmental Hazards section to read "Do not apply directly to water."

A stamped copy is enclosed for your records. Please submit one (1) final printed copy for the referenced label, incorporating the above changes, before releasing the product for shipment.

Sincerely yours,

Joanne I. Miller

CAUTION
See back panel for additional precautionary statements

NET CONTENTS 24 FL. OZ. (709 ml)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only.

What is this product? And what will it do?

Ready-To-Use Knock-Out works on contact, so it is okay to replant in the area after just 3 days.

Ready-To-Use Knock-Out kills grass and weeds just about anywhere they grow. Use it to get rid of any unwanted vegetation in sidewalk cracks and along fences, around foundations, patios and decks, also in ornamental plantings around trees and shrubs.

How do I use this product?

When to use: Spray this product anytime of year when weeds and unwanted grasses are actively growing; the younger the weeds, the faster the kill. The weather should be sunny, with temperatures over 60 degrees, and no rain expected for 12 hours.

What to do: This product is ready to use and doesn't have to be mixed with water. Shake well before using. Adjust sprayer nozzle to give a coarse droplet spray. Hold sprayer within 2 feet of the weeds or grass and aim nozzle at weeds. Wet the weeds or grass completely with the spray. This product works only through the leaves; there's no need to wet the soil.

After 3 days, re-spray any weeds that remain green.

Keep the spray away from any plants, shrubs and trees you like. If the spray gets on them, wash it off immediately or they will be damaged.

What not to do: Do not allow children or pets onto the treated area until product has dried. Do not apply on a windy day or otherwise allow spray to drift onto lawns, flowers, vegetables, shrubs or trees. They will be damaged. Do not spray when rain is expected within 12 hours.

What will I see?

In 1 to 3 days any leaves you sprayed will dry out and curl up. Dark spots may be seen on the leaves.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed, inhaled, or absorbed through skin. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Repeated contact with skin or contact with open cuts or sores may increase the hazard associated with this product. Keep children and pets off treated areas until spray mist has completely dried.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Call a physician or Poison Control Center immediately. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Never induce vomiting or give anything by mouth to an unconscious person. If Inhaled: Remove victim to fresh air. Apply artificial respiration if indicated. If On Skin: Remove contaminated clothing. Wash affected areas with soap and water. If In Eyes: Flush eyes with plenty of water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to wildlife. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

STORAGE AND DISPOSAL

Store this product in its original container in a locked storage area out of reach of children and domestic animals. Do not reuse container. Rinse thoroughly before discarding. Securely wrap container in several layers of newspaper and discard in trash.

NOTICE: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
