CAUTION
See back panel for additional precautionary statements

NET CONTENTS 24 FL. OZ. (709 ml)

DIRECTIONS FOR USE [Version A]

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only.

READY-TO-USE KNOCK-OUT II WEED & GRASS KILLER controls a wide variety of weeds, grasses and unwanted vegetation such as annual morning glory, foxtail, purslane, pigweed, and bermudagrass under trees and ornamental shrubs, around buildings, along sidewalks, fences, patios, walkways and driveways. It is a non-selective ready-to-use herbicide that kills weeds and grasses on contact.

READY-TO-USE KNOCK-OUT II WEED & GRASS KILLER will not stain gravel or paved areas. Phytotoxic properties are quickly inactivated on contact with the soil.

READ ENTIRE LABEL BEFORE USE. USE ONLY AS DIRECTED, NOTING ALL CAUTIONS.

WHEN TO USE

To assure effective control, apply when weeds or unwanted vegetation are actively growing. For best results, apply on a sunny day when the daytime temperature is at least 60 degrees F. Apply only when the air is calm and rainfall is not expected within 12 hours.

HOW TO USE

SHAKE WELL BEFORE USING. This product is ready-to-use. Adjust nozzle to coarse spray. Hold nozzle within 2 feet of weed or grass, aim nozzle at unwanted vegetation and away from face. Spray to thoroughly wet foliage to the point of runoff.

For spot treatment, hold container just a few inches above undesired vegetation.

EPA REC'D 11/3/97

Wilting will appear in 1 to 3 days and thorough browning in about 5 to 7 days. Repeat applications may be necessary to control hard-to-kill weeds such as Bermudagrass or Dallisgrass.

USE PRECAUTIONS: Do not apply during windy weather. Do not apply directly or allow spray mist to contact foliage, green bark, buds, grafted unions, or scuffed, damaged or broken bark when spraying around trees and ornamentals. Do not use on or around edible feed or food crops.

ENTRY RESTRICTIONS: Do not allow people or pets to touch treated plants until the sprays have dried.

DIRECTIONS FOR USE [Version B]

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only.

What is this product? And what will it do?

Ready-To-Use Knock-Out works on contact, so it is okay to replant in the area after just 3 days.

Ready-To-Use Knock-Out kills grass and weeds just about anywhere they grow. Use it to get rid of any unwanted vegetation in sidewalk cracks and along fences, around foundations, patios and decks, also in ornamental plantings around trees and shrubs.

How do I use this product?

When to use: Spray this product anytime of year when weeds and unwanted grasses are actively growing; the younger the weeds, the faster the kill. The weather should be sunny, with temperatures over 60 degrees, and no rain expected for 12 hours.

What to do: This product is ready to use and doesn't have to be mixed with water. Shake well before using. Adjust sprayer nozzle to give a coarse droplet spray. Hold sprayer within 2 feet of the weeds or grass and aim nozzle at weeds. Wet the weeds or grass completely with the spray. This product works only through the leaves: there's no need to wet the soil.

After 3 days, re-spray any weeds that remain green.

Keep the spray away from any plants, shrubs and trees you like. If the spray gets on them, wash it off immediately or they will be damaged.

What not to do: Do not allow children or pets onto the treated area until product has dried. Do not apply on a windy day or otherwise allow spray to drift onto lawns, flowers, vegetables, shrubs or trees. They will be damaged. Do not spray when rain is expected within 12 hours.

3 9 3

What will I see?

In 1 to 3 days any leaves you sprayed will dry out and curl up. Dark spots may be seen on the leaves.

ENTRY RESTRICTIONS: Do not allow people or pets to touch treated plants until the sprays have dried.

=====

STORAGE AND DISPOSAL

Store this product in its original container in a locked storage area out of reach of children and domestic animals. Do not reuse container. Rinse thoroughly before discarding. Securely wrap container in several layers of newspaper and discard in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Harmful if swallowed, inhaled, or absorbed through skin. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Repeated contact with skin or contact with open cuts or sores may increase the hazard associated with this product. Keep children and pets off treated areas until spray mist has completely dried. Do not apply this product in a way that will contact any person or pet, either directly or through drift. Only persons applying this product may be in the area during application.

Users should remove protective clothing immediately after handling this product. Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Protective clothing should be kept and washed separately from other laundry. Wash clothing in detergent and hot water. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Wash the outside of gloves before removing.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Call a physician or Poison Control Center immediately. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Never induce vomiting or give anything by mouth to an unconscious person. If Inhaled: Remove victim to fresh air. Apply artificial respiration if indicated. If On Skin: Wash with plenty of soap and water. Get medical attention. If In Eyes: Flush eyes with plenty of water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to aquatic invertebrates. Do not apply directly to water.

NOTICE: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
