LILLY/MILLER
MOSS-KIL GRANULES

Destroys moss to prolong life of roofs, decks, patios, walks.
Non-staining, Non-corrosive to galvanized gutters
Covers up to 3,000 square feet

ACCEPTED
with COMMENT
in EPA Letter Date

ACTIVE INGREDIENT:

*Zinc sulfate monohydrate 99%
INERT INGREDIENTS 1%
*Equivalent to 36% Zinc as metallic.

Under the Federal Insecticide,
Fungicide and Rodenticide Act
the pesticide
EPA Reg. No.

Keep out of reach of children

WARNING

See side panel for additional precautionary statements.

802-591

NET WEIGHT 3 LBS.

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

WARNING: Harmful if swallowed. Avoid inhaling dust. In case of contact with the skin, wash with soap and water. If swallowed, induce vomiting and see a doctor.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For best results, apply MOSS-KIL GRANULES just prior to the time when fall rains begin or in early spring. Moss growth can occur in nearly any location where dampness persists. Such areas include Roofs, Patios, Sidewalks and Foundations. Since moisture is essential, most moss growth appears during the fall, some in the winter and in the spring. Very little moss forms in summertime. Destroying existing moss is done most effectively during times when its growth is most rapid and when rain is not expected for several days. Controlling moss may add months, or years, of service to roofs, patios and such areas.

COMPOSITION AND WOOD SHINGLES; GRAVEL; BRICK AND UNPAINTED CEMENT WORK.

PREVENTIVE TREATMENT - for preventing moss growth, or for use after sweeping or otherwise removing as much moss as possible.

1. MOSS-KIL GRANULES can be applied directly from container as a powder. Apply at the rate of 3 lbs. to 3000 square feet of area
2. To apply as spray, use a sprinkling can or tank sprayer. Slowly add 3 lbs. MOSS-KIL GRANULES to 10 gallons of water (1 lb. to 3 1/3 gallons), stirring continuously. Spray to thoroughly wet surface, using 1 gallon of mixture to 300 sq. ft. of area.

3. Repeat treatment as necessary (when new moss growth begins to appear).

FOR DESTRUCTION OF HEAVY MOSS GROWTH - where it is impractical to first remove moss by sweeping or other means as indicated under PREVENTIVE TREATMENT.

1. MOSS-KIL GRANULES can be applied directly from container as a powder. Apply at the rate of 3 lbs. to 600 square feet of area.
2. To apply as spray, use a sprinkling can or tank sprayer. Slowly add 3 lbs. MOSS-KIL GRANULES to 6 gallons of water (1 lb. to 2 gallons), stirring continuously. Spray to thoroughly wet moss, using 1 gallon of mixture to 100 sq. ft. of area. Make application slowly to thoroughly soak the moss and avoid run-off.
3. On roofs, apply liberally to higher portions of roof moss. This allows rain to move some of the treatment material down through the moss patches.
4. After three to five weeks, depending on thickness of moss growth, the dead moss may be hosed, swept, or raked off the treated area.

PREVENTIVE TREATMENT with MOSS-KIL GRANULES should be made immediately to the cleaned area with repeat treatments just prior to the time the fall rains begin, or in early spring.

USE PRECAUTIONS: Make certain none of this product runs from eaves or splashes on planted area below roofs. Where this possibility exists, cover shrubs, flowers or lawn before making application. Where treating walkways or patios, avoid application to adjacent lawn or plants. If contact occurs, wash material off plants immediately.

MOSS-KIL GRANULES may damage painted and metal surfaces. Keep this product off these surfaces and other surfaces not intended for moss control treatment. Immediately wash off material that accidentally contacts these surfaces.

STORAGE AND DISPOSAL

Store this product in its original container and keep in a locked storage area out of reach of children and domestic animals. Do not reuse container. Rinse thoroughly before discarding and securely wrap original container in several layers of newspaper and discard in trash.

NOTICE: Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
