## WHAT IS THIS PRODUCT? AND WHAT WILL IT DO?

BLACKBERRY & BRUSH KILLER kills blackberry vines, plus many kinds of brush and unwanted woody plants. This product can be used in many places around your yard, such as along fences and driveways, under decks, around patios and buildings, or in driveways and parking areas. The area can be planted again just a few weeks after spraying.

BLACKBERRY & BRUSH KILLER will also prevent woody plants from sending up sprouts from the roots, once they are cut down.

### Use BLACKBERRY & BRUSH KILLER to Kill These Plants:

Alder, Arkansas Rose, Arrowwood, Ash, Aspen, Beech, Birch, Blackberry, Blackgum, Box Elder, California Rose, Cascara, Ceanothus, Cherry, Chinquapin, Choke Cherry, Cottonwood, Douglas Fir, Dogwood, Elderberry, Elm, Hawthorn, Hazel, Honeysuckle, Hornbeam, Horsetail Rush (Field), Kudzu, Locust, Madrone, Maples, Mesquite, Mimosa, Mulberry, Oaks, Persimmon, Pine, Poison Ivy, Poison Oak, Poplar, Raspberry, Salmonberry, Sassafras, Scotch Broom, Sumac, Sweetbay Magnolia, Sweetgum, Sycamore, Tanoak, Thimbleberry, Trumpet Creeper, Tulip Poplar, Vine Maple, Virginia Creeper, Western Hemlock, Wild Grape, Wild Rose, Willow, Winged Elm.

## HOW DO I USE THIS PRODUCT?

**When To Use:** Spray brush anytime it is actively growing—in Spring, after leaves are fully open; in Summer, when there is sufficient water; or in the Fall, before the leaves begin to change color.

**What To Do:** Spray BLACKBERRY & BRUSH KILLER using a pump sprayer or a hose-end sprayer. Use a spray pattern which gives small droplets without a fine mist.

Over-pumping the sprayer will make a fine mist. Spray when the air is calm and there is no wind. Wet the brush completely with the spray. This product works through the leaves and bark; there's no need to wet the soil. After leaves have dropped off (4–6 weeks after spraying), cut down the brush and dispose of it. Once the brush is gone, the area may be replanted.

**What Not To Do:** Do not spray when it is windy. Do not allow spray mist to drift onto vegetables, flowers, ornamental shrubs and trees, small fruits, fruit trees, or any other desirable plants. They will be damaged. Do not spray when rain is expected. Do not water the area for 24 hours after spraying. Do not use this product around vegetables, fruits or other plants you eat. Do not use this product when temperatures are above 85° F.

### Mixing and Measuring—Shake well before using.

It's a good idea to have a separate sprayer just for weed and brush killers, to avoid mix-ups.

Use this amount of BLACKBERRY & BRUSH KILLER	In this amount of water	to cover this area
½ - 1 cup (4-8 fl. oz.)	1 gallon	500 sq. ft.
1-2 cups (8-16 fl. oz.)	2 gallons	1000 sq. ft.
1½ - 3 cups (12-24 fl. oz.)	3 gallons	1500 sq. ft.

Use the higher amounts when conditions are especially dry and on mature or hard to kill brush (such as ash, blackgum, chokecherry, elm, maple, oak, pine or winged elm), to prevent resprouting. Coverage will vary somewhat depending on the amount of brush to be sprayed.

## WHAT WILL I SEE?

In one to six weeks the leaves will begin to wilt, turn brown and drop off.

### STUMP TREATMENT

BLACKBERRY & BRUSH KILLER can also be used to prevent woody plants and trees from sending up sprouts from the roots. Right after the tree or bush has been cut down, apply BLACKBERRY & BRUSH KILLER to the stump. Use the product straight from the bottle, do not add water. Use a paint brush or small sprayer to completely cover the freshly cut surface. Do not reuse the paint brush; wrap it in several layers of newspaper and discard it in the trash. BLACKBERRY & BRUSH KILLER will be absorbed into the roots and reduce the number of sprouts coming up in the lawn and surrounding areas.

**LILLY/MILLER.**

# Blackberry & Brush Killer

- Controls horsetail rush
- Makes up to 8 gallons of spray
- Easy to apply with a pump-up or hose-end sprayer
- Won't harm the soil — replant in just 1 month

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only. Not for use indoors.
