AND TOXIC SUBSTANCES

Ms. Molly Hickman  
Central Garden & Pet DBA Lilly Miller Brands  
P.O. Box 2289  
Clackmas, OR 97015

Subject: Lilly/Miller Ready-To-Use Blackberry & Brush Killer  
EPA Registration No. 802-596  
Amended labeling submitted September 17, 2002

Dear Ms. Hickman:

The amended labeling referred to above is acceptable provided that you make the changes specified below:

1. Immediately below the product name at the top of the label, add the following:

For use on woody plants in outdoor areas around the home.

2. In the "IF IN EYES" portion of the FIRST AID statement, change "15" to "5" in the statement that begins "Remove contact lenses..."

3. It is recommended that you add the following statement to you label:

When applying this product, wear a long-sleeved shirt, long pants, shoes and socks, and waterproof gloves.

Submit one copy of the final printed labeling before you release the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

This labeling supercedes all previously accepted labeling for this product (except supplemental labeling). A stamped copy of the label is enclosed for your records.

If you have any questions about this letter, you may call Tobi Colvin-Snyder at 703-305-7801.

Sincerely,

Jim Tompkins  
Product Manager (25)  
Herbicide Branch  
Registration Division (7505C)

PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes eye irritation. Harmful if swallowed, inhaled, or absorbed through the skin. Avoid contact with eyes, skin or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling. Do not allow children or pets onto treated areas until sprays have dried. Remove saturated clothing and wash before reuse.

FIRST AID

Have product container or label with you when calling a poison control center or doctor, or going for treatment. If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. If on skin or on clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 15 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only. Not for use indoors.

**WHAT IS THIS PRODUCT? AND WHAT WILL IT DO?**

Ready-to-Use Blackberry & Brush Killer is the no-mix way to kill tough, woody plants and brush, such as blackberry vines, poison oak, Scotch broom, plus many others. This product can be used in many places around your yard, such as along fences and driveways, under decks, around patios and buildings, or in driveways and parking areas. The area can be planted again just a few weeks after spraying.

Use Ready-to-Use Blackberry & Brush Killer to kill all these plants:

- Blackberry
- Horsetail Rush (Field)
- Kudzu
- Mesquite
- Poison Ivy
- Poison Oak
- Sumac
- Scotch Broom
- Willow
- Wild Rose

Kill these plants, too:

- Arrowwood
- Blackgum
- California Rose
- Chinquapin
- Hornbeam
- Tanoak
- Virginia Creeper
- Alder
- Ash
- Aspen
- Beech
- Birch
- Box Elder
- Cascara
- Ceanothus

Cherry  
Choke Cherry  
Cottonwood  
Douglas Fir  
Dogwood  
Elderberry  
Elm  
Hawthorn  
Hazel  
Honeysuckle  
Locust  
Madrone  
Maples  
Mimosa  
Mulberry  
Oaks  
Persimmon  
Pine  
Poplar  
Raspberry  
Salmonberry  
Sassafras  
Sweetbay  
Magnolia  
Sweetgum  
Sycamore  
Thimbleberry  
Trumpet Creeper  
Tulip Poplar  
Vine Maple  
Western Hemlock  
Wild Grape  
Winged Elm

#### HOW DO I USE THIS PRODUCT?

**When To Use:** Spray the brush or vines in Spring, after leaves are fully open, or in Fall, before the leaves begin to change color. During dry Summer weather, Ready-to-Use Blackberry & Brush Killer may work very slowly. For best results, spray brush a few days after a good rain, or after the area has been watered.

**What To Do:** It's so easy! There is no mixing with Ready-to-Use Blackberry & Brush Killer. Just shake, then spray.

Adjust the spray nozzle to give small droplets without a fine mist. Spray when the air is calm and there is no wind. Hold the sprayer about two feet from the plant

6/6

and aim the nozzle at leaves and stems. Wet the brush completely with the spray. This product works through the leaves and bark; there's no need to wet the soil.

After leaves have dropped off (4 - 6 weeks after spraying), cut down the brush and dispose of it. Once the brush is gone, the area may be replanted.

**What Not To Do:** Do not spray when it is windy. Do not allow spray mist to drift onto vegetables, flowers, ornamental shrubs and trees, small fruits, fruit trees, or any other desirable plants. They will be damaged.

Do not spray when rain is expected. Do not allow children or pets to go into the treated area until the spray has dried. Do not water the area for 24 hours after spraying. Do not use this product around vegetables, fruits or other plants you eat. Do not use this product when temperatures are above 85 degrees F.

#### WHAT WILL I SEE?

In one to six weeks the leaves will begin to wilt, turn brown and drop off.

#### STORAGE AND DISPOSAL

Store this product in its original container and keep out of reach of children and domestic animals. If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

**NOTICE:** Seller makes no warranty, express or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
