Subject: Lilly/Miller Ready-to-Use Blackberry & Brush Killer  
EPA Reg. No. 802-596  
Label Notification per PRN 98-10  
Revised Basic Confidential Statement of Formula

Dear Ms. Horton,

The Agency is in receipt of your application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for Lilly/Miller Ready-to-Use Blackberry & Brush Killer (EPA Reg. No. 802-596) dated October 19, 2011. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records. The revised basic CSF, dated October 19, 2011, is acceptable and will also be placed in our records.

If you have any questions, please contact Emily Hartman of my staff at (703) 347-0189 or [hartman.emily@epa.gov](mailto:hartman.emily@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Kable Bo Davis", written over a horizontal line.

Kable Bo Davis, Product Manager 25  
Herbicide Branch

Re: Notification: EPA Reg. No. 802-596, Lilly Miller Ready-to-Use Blackberry & Brush Killer

Attn: Kable Davis, PM Team 25

On behalf of Lilly Miller Brands of Atlanta, Georgia, enclosed is notification of administrative label changes to include 1) update registrant company address and 2) add alternate sprayer head assembly directions; and updating the Confidential Statement of Formula to reflect the current registrant company name/address, the current producer name/address/EPA Est. No. No changes are made to the active or inert ingredients as previously approved under the Basic CSF dated 6/30/09.

The following documents are enclosed:

- 1) EPA Form 8570-1, Application for Pesticide – Notification (2 copies)
- 2) EPA Form 8570-4, Confidential Statement of Formula – Basic (2 copies)
- 3) **2** copies of the revised label with areas of revision highlighted.

If additional action or information is required on behalf of Lilly Miller Brands, please advise.

Best regards,

Rebecca M. Horton

See back/side/other panel(s) for additional Precautionary Statements and First Aid

NET CONTENTS 1 GALLON (3.7 l)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes eye irritation. Harmful if swallowed, inhaled, or absorbed through the skin. Avoid contact with eyes, skin or clothing during and after application. Avoid breathing spray mist. When applying this product, wear a long-sleeved shirt, long pants, shoes and socks, and waterproof gloves. Wash thoroughly with soap and water after handling. Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application. Do not allow people or pets onto treated areas until sprays have dried.

USER SAFETY RECOMMENDATIONS

- Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Users should remove protective clothing and equipment immediately after handling this product. Wash the outside of gloves before removing. Keep and wash protective clothing and equipment separately from other laundry.

FIRST AID

Have product container or label with you when calling a poison control center or doctor, or going for treatment.

**If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

**If on skin or on clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters and rinsate. This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For household use only. Not for use indoors.

**WHAT IS THIS PRODUCT? AND WHAT WILL IT DO?**

Ready-to-Use Blackberry & Brush Killer is the no-mix way to kill tough, woody plants and brush, such as blackberry vines, poison oak, Scotch broom, plus many others. This product can be used in many places around your yard, such as along fences and driveways, under decks, around patios and buildings, or in driveways and parking areas. The area can be planted again just a few weeks after spraying.

Use Ready-to-Use Blackberry & Brush Killer to kill all these plants:

- |                        |              |           |
|------------------------|--------------|-----------|
| Blackberry             | Poison Ivy   | Willow    |
| Horsetail Rush (Field) | Poison Oak   | Wild Rose |
| Kudzu                  | Sumac        |           |
| Mesquite               | Scotch Broom |           |

Kill these plants, too:

- |                  |             |                 |
|------------------|-------------|-----------------|
| Arrowwood        | Cottonwood  | Raspberry       |
| Blackgum         | Douglas Fir | Salmonberry     |
| California Rose  | Dogwood     | Sassafras       |
| Chinquapin       | Elderberry  | Sweetbay        |
| Hornbeam         | Elm         | Magnolia        |
| Tanoak           | Hawthorn    | Sweetgum        |
| Virginia Creeper | Hazel       | Sycamore        |
| Alder            | Honeysuckle | Thimbleberry    |
| Ash              | Locust      | Trumpet Creeper |
| Aspen            | Madrone     | Tulip Poplar    |
| Beech            | Maples      | Vine Maple      |
| Birch            | Mimosa      | Western Hemlock |
| Box Elder        | Mulberry    | Wild Grape      |
| Cascara          | Oaks        | Winged Elm      |
| Ceanothus        | Persimmon   |                 |
| Cherry           | Pine        |                 |
| Choke Cherry     | Poplar      |                 |

**HOW DO I USE THIS PRODUCT?**

When To Use: Spray the brush or vines in Spring, after leaves are fully open, or in Fall, before the leaves begin to change color. During dry Summer weather, Ready-to-Use Blackberry & Brush Killer may work very slowly. For best results, spray brush a few days after a good rain, or after the area has been watered.

What To Do: It's so easy! There is no mixing with Ready-to-Use Blackberry & Brush Killer. Just shake, then spray.

Adjust the spray nozzle to give small droplets without a fine mist. Spray when the air is calm and there is no wind. Hold the sprayer about two feet from the plant and aim the nozzle at leaves and stems. Wet the brush completely with the spray. This product works through the leaves and bark; there's no need to wet the soil.

After leaves have dropped off (4 - 6 weeks after spraying), cut down the brush and dispose of it. Once the brush is gone, the area may be replanted.

What Not To Do: Do not spray when it is windy. Do not allow spray mist to drift onto vegetables, flowers, ornamental shrubs and trees, small fruits, fruit trees, or any other desirable plants. They will be damaged.

Do not spray when rain is expected. Do not allow children or pets to go into the treated area until the spray has dried. Do not water the area for 24 hours after spraying. Do not use this product around vegetables, fruits or other plants you eat. Do not use this product when temperatures are above 85 degrees F.

WHAT WILL I SEE?

In one to six weeks the leaves will begin to wilt, turn brown and drop off.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store this product in its original container and keep out of reach of children and domestic animals. PESTICIDE DISPOSAL: If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain. CONTAINER DISPOSAL: If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.

[Optional sprayer head assembly instructions to print on bag containing sprayer head and attached to bottle:

1. Remove sprayer from bottle and remove from bag.
2. Slide the sprayer cap down the hose to the stop position.
3. Remove child resistant cap from the bottle and discard cap.
4. Place sprayer hose into bottle and screw sprayer cap on securely.
5. Turn sprayer nozzle to selected pattern and follow Directions for Use. Turn sprayer to OFF position after use.]

[Alternate optional spray head assembly instructions:]

### Sprayer Directions

*Instrucciones del rociador*

**1**  
Remove sprayer from bottle and remove shrink wrap.  
*Saque el rociador de la botella y quite la cobertura plástica.*
