

AVON

moth-proofer

- ❖ **read all directions carefully**
- ❖ **spray very lightly as directed**
Kills moths and carpet beetles — their eggs and larvae.
- ❖ **use only on woolens**
(But do not use on deep pile woolens. Do not use on furs. Has no effect on silk, synthetic or cotton linings.)

CAUTION: KEEP OUT OF REACH OF CHILDREN. SEE OTHER WARNINGS ON BACK PANEL.

NET WT. 11 OZ.

CAUTION: COMBUSTIBLE MIXTURE

N.Y.F.D. C of A No 1741

DO NOT SPRAY NEAR
OPEN FLAME OR EXPOSE
TO EXCESSIVE HEAT

Spray only clean woolens. Hold nozzle 18 inches from fabric and move dispenser in sweeping motion at rate of 1 to 2 feet per second. Each swing across fabric to be 6 inches apart. Spray until

slightly damp. You will see no deposit. Do not go back over sprayed area, or let spray build up in one spot. Failure to follow these instructions may result in a visible deposit, which is harmless to the fabric and may be removed by brushing or dry cleaning. Spray all wool surfaces inside and outside, under collars, inside cuffs, pleats, etc. Protects woolens for 12-month periods unless removed by cleaning. This can will moth-proof 10 pounds of woolens.

IMPORTANT

1. **RESPRAY AFTER EACH DRY CLEANING OR WASHING.**
2. **WOOLENS WITH DEEP PILE**, such as nubby or shaggy weaves, and furs and velvets, should be treated professionally.
3. **NO ODOR ON CLOTHING.** Clothing is safe to wear without dry cleaning or washing.

IMPORTANT — ABOUT SPRAYING

BLANKETS Dry clean or wash blankets, brush and air unused blankets. Spray on both sides.

WOOLRUGS AND CARPETS Use on concealed areas—under furniture, in corners, around baseboards. This dispenser not intended for large-scale use.

WOOLEN UPHOLSTERY Follow spray directions. Give special attention to wetting, tufts, folds, concealed areas.

BEFORE SPRAYING CLOSETS OR CONTAINERS, test Moth Proofer in inconspicuous area for effect on paint, varnish, wallpaper, since some surfaces are affected by this spray. Hang garments on wooden hangers when you spray them.

IF YOU ARE SPRAYING SEVERAL ARTICLES, spray out of doors or spread newspapers to protect floor.

CAUTION, Store at room temperature—not over 120° F. If product is at 50° or lower, you will get steam instead of mist. Do not puncture or incinerate container. Use in ventilated room—out of draft. Avoid prolonged inhalation of spray. Keep away from children. Do not spray on skin of humans or pets. Avoid spraying foods or cooking utensils.

Remove birds, pets, fish bowls from room while spraying. Do not spray directly on plastic or asphalt tiles.

ACTIVE INGREDIENTS Diethyl d phenyl dichloro ethane (Perthane) 4.75%, related reaction products 0.25%, petroleum distillates 58.33%,
INERT INGREDIENTS 36.67%.
