REPELLENCY - IR3535® provides effective and dependable repellency against mosquitoes, deer ticks, black flies, sand flies, gnats, no-see-ums and biting midges.

MOISTURIZATION - Non greasy formula helps replenish moisture and leaves skin soft and smooth.

SUITABLE FOR THE ENTIRE FAMILY - Pleasantly scented. Gentle formula does not need to be washed off when returning from the outdoors. Dermatologist-tested. (Non-Comedogenic.) (Non-Acneogenic.) Hypoallergenic.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Apply liberally and evenly before insect exposure. An adult must apply this product to children under 10. For continued insect protection, reapply about every 2 hours or sooner if effectiveness diminishes. Do not exceed 9 applications per day.

STORAGE: Store in cool, dry place in tightly closed container.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS. Caution. For external use only. Causes moderate eye irritation. Do not get in eyes. Stop use and ask a doctor if rash or irritation develops and lasts. Ask a doctor before using on children under 6 months of age.

FIRST AID	
If in eyes:	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment.	

Avoid contact with plastics, costume jewelry, leather and synthetic fibers. May damage painted or varnished surfaces, including nail polish.
