[Redacted section]

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided:

1. You will submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. You will make the following label changes before you release the product for shipment:
 - a) Revise the EPA Registration Number to read "EPA Reg. No.806-31".
3. Submit the results of one year storage stability (830.6317) and corrosion characteristics (830.6320) to the Agency on completion. It is recommended that the observations be made at 0, 3, 6, 9, & 12 month intervals. The results must be submitted in a hard copy and an electronic format is also requested.
4. In order to retain the directions for use of this product on clothing you must submit a product performance protocol by March 31, 2007 that describes a test to determine whether or not the listed pests are repelled when this product is applied to clothing in accordance with the label directions. You must submit the product performance data within 15 months of the protocol approval date.

Signature of Approving Official:

Richard Gebken, Product Manager (10) RD/IB/(7505P)

Date:

5. Please submit three (3) copies of your final printed labeling before releasing the product for shipment. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing amended labeling constitutes acceptance of these conditions.

A stamped copy of the label and the data evaluation reviews are enclosed for your records. The basic Confidential Statement of Formula (CSF) dated July 17, 2006 is acceptable and is the CSF of record for this product.

If you have any questions regarding this registration, please contact Kevin Sweeney at (703) 305-5063.
