**SUBJECT: Applications for Pesticide Notification – Removal of Label Claims Regarding
Product’s Effectiveness on Clothing
Avon Skin-So-Soft SSS Bug Guard Plus Picaridin Insect Repellent
EPA Reg. No. 806-29
Avon Skin-So-Soft SSS Bug Guard Plus Picaridin Insect Repellent Spray
EPA Reg. No. 806-31
Applications Dated October 31, 2007**

Dear Dr. Kelley:

The Agency is in receipt of your Applications for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above products. The Registration Division (RD) has conducted a preliminary screen of these requests for their applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10. The labels submitted with the applications have been stamped “Notification” and will be placed in our records.

If you have any questions, please me directly at 703-305-6249 or Terri Stowe of my staff at 703-305-6117.

Sincerely,

A handwritten signature in black ink, appearing to be "Linda Arrington".

RE: Notification of the Removal of the Claim of Product Performance on
Clothing for Avon Skin-So-Soft SSS Bug Guard Plus Picaridin Insect
Repellent Spray
EPA Reg. No. 806-31

Dear Mr. Gebken,

On behalf of Avon Products, Inc., we are submitting the enclosed notification for the above referenced product. The Agency is hereby notified that Avon intends to drop the label claim regarding the above referenced product's effectiveness when applied to clothing. In the original EPA conditional approval letter of September 28, 2006, Mr. Kevin Sweeney stated:

"4) In order to retain the directions for use of this product on clothing you must submit a product performance protocol by March 31, 2007 that describes a test to determine whether or not the listed pests are repelled when this product is applied to clothing in accordance with the label directions."

In conjunction with Insect Control & Research, Inc., the registrant developed a study protocol for evaluation of the efficacy of treated fabric on the repellency of mosquitoes. This protocol was submitted to the Agency on November 9, 2006. Mr. Kevin Sweeney (OPP/RD) subsequently responded in an e-mail noting that the protocol would have to be reviewed by the Human Studies Review Board (HSRB) because the protocol involves the participation of human volunteers as test subjects. After consideration of the time and effort associated with the HSRB review process, the registrant has elected to remove the claim of product effectiveness on clothing.

As required, three (3) copies of the revised product label are enclosed along with one "red-lined" version of the label showing the exact changes made. In addition to the removal of the claim for product effectiveness on clothing, two additional claims have been removed as per the Agency's correspondence (from Mr. Sweeney) dated June 28, 2007: 1) claims regarding the product forming an unseen or hidden barrier of protection;

Page 2 of 2

and 2) claims of product effectiveness against vectors of the West Nile Virus. The registrant and ICR are currently obtaining approval from the Agency and the HSRB in order to conduct a confirmatory laboratory study to support the West Nile Virus claim.

We would appreciate being informed of the acceptance of this notification after it is reviewed. If you have any questions or require additional information, please do not hesitate to contact me or Micah Reynolds by phone at 703-335-5670 or by email at mike@toxcel.com or micah@toxcel.com, respectively.

Sincerely,

J. Michael Kelley, Ph.D.

[Text within brackets is optional and may appear on the back of container label!]

BACK OF CONTAINER:

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label. Hold container 6 to 8 inches from skin and spray with a slow sweeping motion liberally and evenly. Do not spray in enclosed areas. Do not apply under clothing, on cuts, wounds, freshly shaved, excessively sunburned or irritated skin. **TO APPLY TO FACE:** Spray palm of hand and rub on, avoiding the eye and lip area. Use sparingly around ears. Use just enough repellent to cover exposed skin. Avoid over application of product. Do not allow children to handle this product. When applying to children, apply to your own hands and then put it on the child. Do not apply directly to children's hands. [FOR CONTINUED PROTECTION from deer ticks reapply after 12 hours, and for mosquitoes reapply after 8 hours, and for gnats, no-seeums, sand flies and biting midges reapply after 6 hours.] [FOR CONTINUED PROTECTION from deer ticks reapply after 12 hours.] Do not exceed 2 applications per day.

STORAGE: Store in cool, dry place away from heat or flame.
DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place any unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS: Hazards to Humans. Warning: Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes. Wash thoroughly with soap and water after handling, returning indoors, and before eating, drinking, chewing gum, or using tobacco. Wash treated clothing before wearing again. Discontinue use and consult a doctor if irritation or rash occurs.

FIRST AID	
If in eyes:	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15 – 20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.• Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none">• Call a poison control center or doctor immediately for treatment advice.• Have person sip a glass of water if able to swallow.• Do not induce vomiting unless told to by a poison control center or doctor.• Do not give anything to an unconscious person.
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-FOR-AVON for emergency medical treatment information.	

PHYSICAL HAZARDS - Flammable. Keep away from heat and open flame.

To order, see an Avon Representative, or call 1-800-FOR-AVON. www.avon.com
