DIRECTIONS

This product is for use in Homes, Stores, Motels, Hotels, Hospitals, Office Buildings, Apartment Buildings and Warehouses.

The spray is a space spray designed to kill flying insects ~~as~~ ✓
Flies, Fruit Flies, Mosquitoes, Gnats, and Flying Cereals and
Grain Moths.

First close all doors, windows and transoms. Spray freely, pointing sprayer toward ceiling until room is well filled with mist. Leave closed for ten minutes or longer. Do not remain in treated areas and ventilate the area after treatment is completed. Then sweep up insects and dispose of same. Repeat as often as necessary.

CAUTION

COMBUSTIBLE MIXTURE—DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.

Do not use on plants or animals or in such a way as to contaminate feed and foodstuffs. Harmful if swallowed. Keep out of reach of children.

Do not reuse container. Destroy when empty.

Seller's guarantee shall be limited to the terms of the label, and subject thereto the buyer assumes any risk to persons or property arising out of use or handling and accepts the product on these conditions.
