..... 99.28%
100.00%

* Dursban®, trademark of The Dow Chemical Company
U.S. Patent No. 3, 244, 586

DIRECTIONS FOR USE

reat when examination first shows presence of insects or as soon as damage occurs. Apply ne contents of this bag on 2,000 square feet (40' x 50') of lawn. Most spreaders will apply the correct amount at the setting for small grass seed. Apply to obtain complete even coverage. Sprinkle treated area, with enough water to wash granules to the soil line but not so much as to soak the ground. Examine turf frequently for signs of infestation and retreat when necessary.

KEEP OUT OF REACH OF CHILDREN

DIRECTIONS FOR USE

reat when examination first shows presence of insects or as soon as damage occurs. Apply the contents of this bag on 2,000 square feet (40' x 50') of lawn. Most spreaders will apply the correct amount at the setting for small grass seed. Apply to obtain complete even coverage. Sprinkle treated area, with enough water to wash granules to the soil line but not so much as to soak the ground. Examine turf frequently for signs of infestation and retreat when necessary.

KEEP OUT OF REACH OF CHILDREN

CAUTION: May be harmful if swallowed. Do not take internally. Avoid eye contact. Flush contaminated eyes with plenty of water, and get medical attention if irritation persists. Wash thoroughly after handling. Wash contaminated clothing before re-use. Keep away from food, feedstuffs and domestic water supplies.

NOTE TO PHYSICIAN: Active ingredient is a cholinesterase inhibitor. Treat symptomatically. Atropine is an antidote.

USE PRECAUTION: Keep children and pets off treated areas until this material is washed into the soil and grass is dry.

This product is toxic to fish, birds and other wildlife. Keep out of any body of water. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Do not reuse empty container. Dispose of container and wastes by burying in non-croplands away from domestic water supplies.

Follow instructions carefully. Timing and care of application, weather and lawn conditions, and other factors influencing the results obtained by use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage, or handling of this material not in strict accordance with the directions and precautions given herewith.
