

### DIRECTIONS FOR USE

**Light Cleaning and Sanitizing:** For removing light soil and to sanitize floors, woodwork, furniture, fixtures or other surfaces, use one half ounce STAPH-O-CIDE per gallon water and apply to surface with mop or sponge.

**General Cleaning and Disinfection:** For general cleaning and disinfection of floors, walls, ceilings, trim, etc., use one ounce STAPH-O-CIDE per gallon water and apply to surface with mop or sponge. For disinfection of floors, walls, ceilings, trim, etc., use one ounce STAPH-O-CIDE per gallon water and apply to surface with mop or sponge. For disinfection of floors, walls, ceilings, trim, etc., use one ounce STAPH-O-CIDE per gallon water and apply to surface with mop or sponge.

**Heavy Duty Cleaning and Deodorizing:** For heavy duty cleaning of surfaces difficult to clean and for deodorizing, mix three to four ounces of STAPH-O-CIDE per gallon of water. Allow the cleaning solution to remain on the floor or surface long enough to loosen soil. In extremely soiled areas, slight agitation may be necessary with floor machine or hand brush. Pick up with damp mop or sponge.

# STAPH-O-CIDE

Cleaner — Bactericide — Deodorant

USDA REG. NO. 830-10

#### Active Ingredients

n-alkyl (C<sub>11</sub>, C<sub>12</sub>, C<sub>13</sub>) dimethyl benzyl ammonium chlorides 5.0%

#### Inert Ingredients

water, sodium tripolyphosphate, octylphenoxy polyethoxylate, sodium dodecyl sulfate, polyacrylate, methyl cellulose and sodium nitrate

#### PHENOL COEFFICIENTS

Carbolic Acid 1/1000  
Strychnine 1/1000  
Non-flammable, non-oxidizing, odorless, non-corrosive, non-irritative in use dilutions.

Do not mix with soap or synthetic detergents.

STAPH-O-CIDE cleans — sanitizes — disinfects — deodorizes.

STAPH-O-CIDE kills most Gram Positive and Gram Negative Bacteria and is especially effective against antibiotic resistant and penicillin resistant staphylococci of both hospital and epidemic strains.

STAPH-O-CIDE does not mask odors, but actually destroys odors and the source of offensive odors.

STAPH-O-CIDE is excellent for general cleaning, disinfection and sanitization in Hospitals, Schools, Public Buildings, Restrooms and all types of institutions.

STAPH-O-CIDE is a neutral cleaner and may be used on Asphalt Tile, Rubber Tile, Vinyl Tile, Cork or any type of floor or surface not harmed by water.
