

## DIRECTIONS

**AIR SPRAY:** Using a high pressure, electric, or hand sprayer, spray freely in sick room, class rooms, theatres, homes — or wherever people congregate. The vapors from this spray will reduce airborne bacteria and help prevent spread of airborne bacteria.

**DEODORANT:** Spray freely wherever there are musty or unpleasant odors. CRAIN MIST AIR SPRAY removes these odors, leaving behind a pleasant fragrance which lasts for hours.

**ODOR CONTROL:** Gymn shoes and other athletic equipment should be sprayed individually to help dissipate obnoxious odors.

**CAUTION:** MAY CAUSE EYE IRRITATION. Contains germicide. Do not spray directly toward eyes. In case of contact with eyes, flush with water for 15 minutes. Seek medical advice. Do not take internally. Harmful if swallowed. Avoid contamination of food.  
**KEEP OUT OF REACH OF CHILDREN.**

# CRAIN MIST AIR SPRAY

Perfumed — Deodorant — Health Spray

USDA REG. NO. 830-22

**CAUTION: KEEP OUT OF REACH OF CHILDREN.**

For additional cautions, see side panel.
