Subject: Chlorilizer Plus
 EPA Registration Number 833-74
 Application Date: 04/10/02
 Receipt Date: 04/10/02

Dear Mr. Zmijewski:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with the conditions listed below:

- to revise the "first aid" statement in accordance with PR Notice 2001-1

Conditions

Revise the label as follows:

- Under the "First Aid" Statement add the following:
 For Toxicity Category I eye and skin irritants, use the following "Note to Physician".
 "Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage".
- Place "net content" in front of the 55 gallons on the front panel of the label.
- The correct name for this product is "Chlorilizer Plus" and not "Chlorilizer Plus AF 0251". If you wish to change the name of your product, you must submit to the Agency an amendment requesting a product name change.

General Comments

A stamped copy of the accepted labeling is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

PHYSICAL OR CHEMICAL HAZARDS

STRONG OXIDIZING AGENT; Mix only with water according to label directions. Mixing this product with chemicals (e.g. ammonia, acids, detergents, etc.) or organic matter (e.g. urine, feces, etc.) will release chlorine gas which is irritating to eyes, lungs and mucous membranes.

STORAGE AND DISPOSAL

Store this product in a cool dry area, away from direct sunlight and heat to avoid deterioration. In case of spill, flood areas with large quantities of water. Product or rinsates that cannot be used should be diluted with water before disposal in a sanitary sewer. Do not reuse container but place in trash collection. Do not contaminate food or feed by storage, disposal or cleaning of equipment.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS DANGER

Corrosive, may cause severe skin and eye irritation or chemical burns to broken skin. Causes eye damage. Wear safety glasses or goggles and rubber gloves when handling this product. Wash after handling. Avoid breathing vapors. Vacate poorly ventilated areas as soon as possible. Do not return until strong odors have dissipated.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other water unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to the discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewer treatment plant authority. For guidance, contact your state water board or Regional Office of the EPA.
