

[839-8]

DIRECTIONS

For best results use a clean, rust-free sprayer or fogger which produces a fine mist or coarse fog.

Close all doors and windows. Spray or fog BELCO FLY SPRAY throughout the room, particularly toward the ceiling, to fill room with fine mist or fog. Do not remain in treated areas and ventilate the area after treatment is completed. Leave room closed for at least ten minutes. Repeat as needed.

Trade Mark

BELCO

FLY SPRAY

AA Grade

KILLS: FLIES -

MOSQUITOES - GNATS

ACTIVE INGREDIENTS 100%
