

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Spray infested surfaces only until wet. For spot application only; do not use as a space spray

ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS: Spray heavily in all cracks, baseboards and other places where these insects hide. Also spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks, stoves, etc. Use on other localized areas infested with these pests. Repeat treatment as required.

CARPET BEETLES: Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks or closets and infested areas of shelving. Repeat as necessary.

BROWN DOG TICKS: Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floor and floor coverings. Application should be repeated as infestations warrant and as reinfestations occur. Fresh bedding should be placed in animal quarters following treatment. Do not treat animals with this product.

FLIES, MOSQUITOES, WASPS AND FLYING MOTHS - OUTDOORS: For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter room. Also treat surfaces of light fixtures on porches, in garages and other places where these insects alight or congregate.

FLEAS, CHIGGERS, ANTS AND BROWN DOG TICKS - OUTDOORS: For treatment of localized infestations of these insects in outdoor areas where there is no vegetation to be used for food or feed, spray infested areas thoroughly. For ants, thoroughly wet hills and runways. Repeat applications as infestations warrant and as reinfestations occur.

BUG-DIZE

Residual Type Insect Spray

For use in the Non-Food Areas of Hotels, Restaurants, Institutions, Food Handling Plants, Municipal and Recreation Areas

Odorless, stainless. Kills Diazinon Resistant Roaches and Flies. Also kills Ants, Mosquitoes, Fleas (outdoors), Waterbugs, Silverfish, Wasps, Spiders, Crickets, Carpet Beetles, Flying Moths, Chiggers and Brown Dog Ticks.

ACTIVE INGREDIENTS:

Petroleum Distillate	99.221%
O, O diethyl-D (2-isopropyl 6-methyl 4-pyrimidinyl) phosphorothioate	00.450%
N-octyl bicycloheptene dicarboximide	00.173%
Technical piperonyl butoxide*	00.104%
Pyrethrins	00.052%
	100.000%

*Consists of 0.083% (butyl carbityl) (6-propyl piperonyl) ether and 0.021% other related compounds

**DIAZINON is a registered trademark of CIBA GEIGY CORP

Only for sale to, use and storage by service persons for industrial institutional and municipal use.

OFFICE OF
PESTICIDES AND TOXIC SUBSTANCES

Bell Chemical Co.
P.O. Box 10007
Dallas, TX 75207

Attn: Mr. Martin S. Herz

Dear Mr. Herz:

Subject: Labeling Update
Bug-Dize
EPA Reg. No: 839-38
Your letter: September 3, 1982

The labeling referred to above, submitted in connection with amended registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable and a stamped copy is enclosed for your records.

At the next label printing:

"Diazinon" has recently become the common accepted name for the residual in this product. Insert "Diazinon" immediately preceding the chemical name in the ingredients statement.

Sincerely yours,

George T. LaRocca
