

## Directions

### **LAWN or TURF**

For use on lawns, turf, lawns, cemeteries, nursery stock and ornamental plants. Use  $\frac{1}{2}$  to 1 gal. per acre with enough water to thoroughly treat the area (for smaller areas use 5 tablespoons for 1000 square feet) for control of ants, army worms, crickets, mosquitoes, grasshoppers, boxelder bugs, spiders, ticks. Birds feeding on treated areas may be killed.

### **CRABGRASS CONTROL**

Apply 5 pints of ~~the concentrate~~ per 1000 square feet of lawn or turf to suppress crabgrass seedlings before germination or sprouting occurs. It is for use as an early season preventative treatment and is not effective for the control of crabgrass plants. Timing of application is important and should be applied before any germination which in many areas is during the period April 15 to May 1. This treatment will not burn or injure established lawns, if thoroughly watered-in. Do not use on newly seeded lawns.

### **TERMITE CONTROL**

For the control of termites ~~use 40% solution~~

4-3-67

842-23

40

on treated areas may be killed.

### **CRABGRASS CONTROL**

Apply 2 pints of 40% chlordane concentrate per 10 square feet of lawn or turf to suppress crabgrass seedlings before germination or sprouting occurs. It is for use as an early season preventative treatment and is not effective for the control of crabgrass plants. Timing of application is important and should be applied before any germination which in many areas is during the period April 15 to May 1. This treatment will not burn or injure established lawns, if thoroughly watered-in. Do not use on newly seeded lawns.

### **TERMITE CONTROL**

For the control of termites add 1 quart of 40% chlordane concentrate to 10 gallons of water. Apply 2 gallons per 5 linear feet in trenches not deeper than 18 inches around the foundations or 4 gallons per 5 linear feet in trenches 30 inches in depth for buildings with deep foundations. Apply 1 gallon per 10 square feet as an overall treatment under the slab, and under attached porches.
