ENVIRONMENTAL HAZARDS

This limited broad-spectrum disinfectant is also effective in the control and kill of odor causing bacteria in those areas or on those sites where bacteria normally cause odors.

This disinfectant mixes with water to form stable, white emulsion, use solutions. Use solutions are non-corrosive and non-staining to plastic, vinyl, synthetics, enamel, tile and most metals.

Produces a pleasant aroma of Southern Pines.
HARMFUL IF SWALLOWED

WARNING: KEEP OUT OF REACH OF CHILDREN

NET CONTENTS: ONE U. S. GALLON (3.78 LITERS)

ONLY FOR SALE TO, USE, AND STORAGE BY SERVICEPERSONS.

FOR CLEANING
LIGHTLY SOILED AREAS: Surfaces to be cleaned should be mopped or brushed with a solution containing 3 ounces of dising all per gallon of water. Rinse cleaned area with potable water.

HEAVILY SOILED AREAS: Mop os.

brush soiled surfaces with a solution containing 5-6 ounces of disers intectant per gallon of water. Rinse cleaned surfaces with potable water. FOR DISINFECTING: After cleaning, mix one part of disinfectant in forty parts of luke warm water to disinfect hard non-porous inanimate surfaces (glass, metal, piastic, glazed porcelain, linoleum, tile, leather, vinyl, enamel and finished wood surfaces) on walls, floors, appliances and furnishings in schools, homes. apartment buildings, restaurants, commercial, office, institutional and storage buildings, recreational buildings, boats, ship cabins, hotels, motels, public rooms, industrial areas, headquarters, locker rooms, washrooms, telephone booths, theatres and other public areas, by mopping or brushing, so as to thoroughly wet all surfaces to be disinfected. The disinfectant solution must contact the surface for 10 minutes for proper disinfection. Prepare a fresh use solution at least once daily or more frequently should the disinfecting solution become diluted or soiled. Those surfaces which may later come in contact with food must be rinsed with potable water.

FOR CLEANING AND DEODORIZ-ING TOILETS AND URINALS: Make a solution of ½ pint of disinfectant with 10 quarts of luke warm water.

Using this solution, wash thoroughly, with brush, mop, sponge, squeegee or cloth, the entire surface of vessels, toilet seats and floors.
