(DIRECTIONS CONTINUED FROM LEFT PANEL)

This disinfectant may be used for cleaning and deodorizing, or disinfection of pre-cleaned, non-porous, inanimate hard surfaces.

FOR CLEANING

LIGHTLY SOILED AREAS: Surfaces to be cleaned should be mopped or brushed with a solution containing 3 ounces of disinfectant per gallon of water. Rinse cleaned area with potable water.

HEAVILY SOILED AREAS: Mop or brush soiled surfaces with a solution containing 5-6 ounces of disinfectant per gallon of water. Rinse cleaned surfaces with potable water.

FOR DISINFECTING: After cleaning, mix one part of disinfectant in forty parts of luke warm water to disinfect hard non-porous inanimate surfaces (glass, metal, plastic, glazed porcelain, linoleum, tile, leather, vinyl, enamel and finished wood surfaces) on walls, floors, appliances and furnishings in schools, homes, apartment buildings, restaurants, commercial, office, institutional and storage buildings, recreational buildings, boats, ship cabins, hotels, motels, public rooms, industrial areas, headquarters, locker rooms, washrooms, telephone booths, theatres and other public areas, by mopping or brushing, so as to thoroughly wet all surfaces to be disinfected. The disinfectant solution must contact the surface for 10 minutes for proper disinfection. Prepare a fresh use solution at least once daily or more frequently should the disinfecting solution become diluted or soiled. Those surfaces which may later come in contact with food must be rinsed with potable water.

FOR CLEANING AND DEODORIZING TOILETS AND URINALS: Make a solution of 1/2 pint of disinfectant with 10 quarts of luke warm water.

Using this solution, wash thoroughly, with brush, mop, sponge, squeegee or cloth, the entire surface of vessels, toilet seats and floors.

SPRAY DEODORIZER: Use a solution of 1/2 pint of disinfectant with 10 quarts of water for spraying in public places for deodorizing and obtaining an aroma of southern pine.

Buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given herewith.
