Uncle Sam Chemical Company, Inc.  
573-577 West 131 Street  
New York, NY 10027

Attention: Herman Schwartz  
President

Gentlemen:

Subject: Sparkle Emulsion Bowl Cleaner  
EPA Registration No. 861-82  
Your Submission Dated April 18, 1991

This is in response to your resubmission regarding your request to amend this registration to remove Oxalic Acid and Zinc Chloride from the formulation.

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act is acceptable provided that you:

1. Make the following labeling revision before you release the product for shipment bearing the amended labeling.
  - Delete from the bottom of the right panel the "Ingredients" and "CAS Numbers" headings and the corresponding listings of names and numbers.
2. Submit the revised final printed labeling before you release the product for shipment.
