

869-67

**HOW TO USE**

- Dilute with water as per directions below.
- Spray plants thoroughly, making sure to get underside of leaves wet with spray.
- May be used in combination with Green Light General Spray for spring and summer; spray to control hard-to-kill insects such as tea scale on camellias, white and red scale on euonymus, and certain other pests.

**DORMANT SPRAY ONLY:**
