DIRECTIONS FOR USE

Green Light Roach & Ant Spray is an insect spray and is highly effective which provides rapid kill of such crawling insects as listed below, including those resistant to certain chlorinated hydrocarbon and phosphate insecticides:

- | | | | |
|----------------|------------|--------------------------|------------|
| Ants | Earwigs | Mosquitoes | Scorpions |
| Brown dog tick | Fleas | Roaches | Silverfish |
| Clover mites | Flies | Saw-toothed grain beetle | Sowbugs |
| Crickets | Hornets | (exposed stage) | Spiders |
| Earwigs | Millipedes | | Wasps |

HOW TO USE: Spray infested surfaces until wet, moving the spray stream rapidly to prevent excessive wetting of surfaces and waste of material. Point spray away from people, plants, and pets.

RESTRICTIONS: Do not apply to rugs, carpets, draperies, wallpaper, or similar materials that may be stained. Avoid excessive wetting of plastic, rubber, and asphalt surfaces such as tiles and floor coverings.

FLAMMABLE: Do not spray into or near open flame. Do not smoke while using. Keep container away from stoves, radiators, or other hot surfaces. Do not place in direct sunlight. Temperatures exceeding 120 degrees F. may cause the container to burst. Do not puncture or throw container into fire.

DIRECTIONS FOR USE

Read entire Directions and Conditions of Sale including Warranty and Limitation of Damages provision before using Green Light Roach & Ant Spray.

CONDITIONS OF SALE: These Directions for Use reflect the opinion of experts based on tests of effectiveness, of toxicity to plants and laboratory animals and of residue on or in food and feed under normal conditions of use. However, because of the wide range of conditions under which this product may be used, even though label directions are followed, it is impossible to eliminate all risks associated with its use because of abnormal conditions beyond the control of the seller. Green Light Company and the Seller offer, and the Buyer uses, this product subject to the understanding that the Buyer assumes all such risks.

INDOOR USE: Ants, Cockroaches, Crickets, Silverfish, Spiders, Scorpions, Saw-toothed grain beetles (exposed stage), Waterbugs: Spray into cracks, crevices, around baseboards, and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves, and in and around waste containers. For ants, spray trails and places where ants enter premises. Repeat as needed. Do not spray foodstuffs or houseplants. Remove pets and cover fishbowls before spraying. Do not allow children to contact treated surfaces until surfaces are completely dry. **BROWN DOG TICKS:** Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks, and local areas of floors. Repeat as needed. Fresh bedding should be placed in animal quarters after spraying. Do not spray animals.

OUTDOOR USE: Ants, Clover mites, Crickets, Earwigs, Fleas, Flies, Hornets, Millipedes, Mosquitoes, Sowbugs, Wasps and Brown dog ticks: Spray infested areas thoroughly including outside surfaces of screens, doors, window frames, foundations, patios, or other places where insects may enter. For ants, spray hills and runways. For control of wasps and hornets apply after dark when all of the insects have returned to the nest. Repeat as necessary. Do not spray vegetation.

CAUTION: May be harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes, or clothing should also be avoided. Wash thoroughly after using. Avoid contamination of food, utensils, and food preparation areas. Should illness occur, get prompt medical aid. To Physician: Atropine sulfate is antidotal.

WARRANTY AND LIMITATION OF DAMAGES: Green Light Company warrants that this material conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use and Conditions of Sale, subject to the risks referred to therein. Green Light Company makes no other express or implied warranty, including any other express or implied warranty of FITNESS or of MERCHANTABILITY, and no agent of Green Light Company is authorized to do so except in writing, with a specific reference to this warranty. Any damages arising from a breach of this warranty shall be limited to direct damages, and shall not include consequential commercial damages such as loss of profits or values, etc.

Kills: Ants, Roaches, Spider, Ticks, Scorpions, Crickets, and Other Pests (see side panel) in and around the house. Spray only on surfaces. Do not use as a space spray.
