

DIRECTIONS FOR USE

Punch holes in top of canister and sprinkle bait lightly on ground or grass where earwigs crawl. Apply in late afternoon and check for results the following morning.

Apply near foundation of house and along sidewalks and driveway. Make sure to treat thoroughly around porches, doors and other entrances to house. This bait will not injure flowers, shrubs, trees or grass.

Apply at the rate of one pound per 500 square feet or 1 1/2 pounds per 750 sq. ft. Repeat in 2 weeks if necessary.

CAUTION: Keep out of reach of children and pets. May be harmful if swallowed, inhaled, or absorbed through skin. Do not get in eyes, on skin, or on clothing. Do not breathe dust. If spilled on skin, wash immediately with soap and water. Wash after handling. Wash contaminated clothing before re-use.

NOTE TO PHYSICIAN: Atropine sulfate (a.k.a. At-2-PAM) is an antidotal and may be administered in conjunction with atropine.

Do not apply to food crops. Do not contaminate feed, foodstuffs, or drinking water. Do not allow livestock to graze on treated grass.

This product is toxic to fish and birds. Birds and other wildlife in treated areas may be killed. Keep out of any body of water. Do not apply where runoff may occur. Do not contaminate water by cleaning of equipment or disposal of waste. Apply the product or contents of the canister label. Do not reuse canister. Destroy when empty.

Caution: Do not breathe dust or spray. Do not inhale. Do not get in eyes. Do not get on skin or clothing. Do not get on food or feed. Do not get on water. Do not get on animals. Do not get on children or pets. Do not get on birds or fish. Do not get on bees or other beneficial insects. Do not get on plants or flowers. Do not get on lawns or gardens. Do not get on trees or shrubs. Do not get on fruit or vegetables. Do not get on hay or straw. Do not get on bedding or litter. Do not get on manure or feces. Do not get on urine or vomit. Do not get on blood or pus. Do not get on wounds or cuts. Do not get on burns or scalds. Do not get on frostbite or sunburn. Do not get on rashes or allergies. Do not get on asthma or other respiratory conditions. Do not get on heart disease or other chronic conditions. Do not get on pregnancy or breastfeeding. Do not get on children or pets. Do not get on birds or fish. Do not get on bees or other beneficial insects. Do not get on plants or flowers. Do not get on lawns or gardens. Do not get on trees or shrubs. Do not get on fruit or vegetables. Do not get on hay or straw. Do not get on bedding or litter. Do not get on manure or feces. Do not get on urine or vomit. Do not get on blood or pus. Do not get on wounds or cuts. Do not get on burns or scalds. Do not get on frostbite or sunburn. Do not get on rashes or allergies. Do not get on asthma or other respiratory conditions. Do not get on heart disease or other chronic conditions. Do not get on pregnancy or breastfeeding.
