PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: HARMFUL IF INHALED OR SWALLOWED. IRRITATING TO EYES, NOSE, THROAT AND SKIN.

Avoid breathing vapor or spray mist. Do not get in eyes, on skin, or on clothing.

Causes skin irritation. Prolonged contact may cause severe skin irritation. May be fatal

~~if absorbed through skin. In case of contact, immediately remove contaminated clothing.~~

Wash and dry clothing before reuse. Where adequate ventilation is not available, use NIOSH-approved full-face pesticide canister respirators to reduce exposure. Where exposure potential under the use conditions necessitates a high level of protection, use a full-face positive-pressure air-supplied respirator.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not apply directly to water or wetlands. Do not contaminate water when disposing of equipment washwaters. Apply this product only as specified on the label.

STATEMENT OF PRACTICAL TREATMENT: FIRST AID - Immediately start the procedures given below and contact a Poison Center, a physician, or the nearest hospital. Report the type and extent of exposure, describe the victim's symptoms, and follow the advice given. IF ON SKIN: Immediately flush skin with large amounts of running water for at least 15 minutes while removing contaminated clothing and shoes. Get medical attention immediately. Wash clothing before reuse. IF IN EYES: Immediately flush eyes with large amounts of running water for at least 15 minutes. Hold eyelids apart to ensure rinsing of the entire surface of the eye and lids with water. Get medical attention immediately. IF INHALED: Remove to fresh air. If not breathing, clear the victim's airway and start mouth-to-mouth artificial respiration. If breathing is difficult, give oxygen preferably with a physician's advice. Get medical attention immediately. IF SWALLOWED: Immediately give several glasses of water but do not induce vomiting. If vomiting does occur, give fluids again. Have a physician determine if condition of patient will permit induction of vomiting or evacuation of stomach. Do not give anything by mouth to an unconscious or convulsing person. FOR 24-HOUR EMERGENCY MEDICAL ASSISTANCE, CALL ICI AMERICAS MEDICAL EMERGENCY INFORMATION CENTER (800) 327-8633 OR CHEMTREC (800) 424-9300.
