

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS  
(# DOMESTIC ANIMALS)**

**CAUTION**

Do not allow children or pets to contact treated surfaces until spray has dried.  
Do not spray on or near or use on plants. Apply as a surface spray only as specified on the label.  
Do not allow spray to contact food, feedstuffs or water supplies. Thoroughly wash dishes and food handling utensils if contaminated with this product.  
Remove pets and cover fish bowls before spraying.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Do not contaminate water by cleaning equipment or disposal of wastes.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**STORAGE AND DISPOSAL**

**STORAGE:** Store out of reach of children and domestic animals. Do not store near heat or open flame. LEAVE IN CONTAINER UNTIL USED.

**DISPOSAL:** Do not reuse empty container. Wrap in newspaper and put in trash collection.

**FOR SPOT APPLICATION ONLY.**

Use Green Light Roach and Ant Killer containing Durban® as a spot treatment to control cockroaches, ants, silverfish, spiders, and other pests specified below. Apply as a coarse large droplet spray to localized areas where pests may occur. Spray surfaces until wet. Re-treat as needed.

**COCKROACHES, ANTS, SILVERFISH, SPIDERS:** Spray areas where these pests are found or may hide, including dark corners of rooms and closets, cracks and crevices in walls, along baseboards, and door and window sills and frames, behind and beneath sinks, stoves, refrigerators and cabinets and around garbage cans, plumbing and other utility installations. Pests drawn out of hiding places should be sprayed directly.

**BROWN DOG TICKS, FLEAS:** To control these pests, thoroughly apply as a spot treatment to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor covering where these pests may be present. Old bedding of pets should be removed and replaced with clean, fresh bedding after treatment. DO NOT SPRAY PETS WITH THIS PRODUCT.

**FLIES AND MOSQUITOES:** Use only out of doors as an aid in reducing annoyance from these insects. Spray outside surfaces of window and door frames as well as other areas where these pests may enter (such as under eaves) or porches, patios and garages where these insects may congregate. Flies and mosquitoes coming to rest on treated surfaces will be killed. Repeat treatment when effectiveness diminished.

**WARRANTY STATEMENT**

NOTICE: Seller warrants that the product conforms to its chemical description and is reasonably fit for the use or uses stated on the label when used in accordance with directions under normal conditions of use, but neither the warranty nor any other warranty of MERCHANTABILITY or FITNESS FOR A PARTICULAR PURPOSE, express or implied, extends to the use of this product contrary to label instructions or under abnormal conditions of use or conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such use.

**WARNING:** Do not use this spray on carpets, upholstery or stained wood work.
