PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

Keep out of reach of children. Harmful if swallowed. Avoid contact with skin. Avoid breathing spray mist. Wash hands after using. Keep children and pets off treated areas until the material has washed into the soil.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams or ponds. Do not apply where run-off is likely to occur. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

STORAGE: STORE OUT OF REACH OF CHILDREN AND DOMESTIC ANIMALS. DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL. LEAVE IN ORIGINAL CONTAINER UNTIL USED.
DISPOSAL: DO NOT REUSE EMPTY CONTAINER. WRAP IN NEWSPAPER AND PUT IN TRASH DISPOSAL.

SHAKE WELL BEFORE USING
APPLY DIRECT FROM CONTAINER

WHERE TO APPLY: GREEN LIGHT LIQUID EDGER eliminates the need for hand trimming. Use along the edges of the lawn to stop grass from creeping into sidewalks, flower beds, bushes, shrubs, tree wells, sprinkler heads and similar areas. GREEN LIGHT LIQUID EDGER will stop grass growth. Respray only when new growth appears. Few treatments are needed during the growing seasons, with the effect of each respray lasting longer. It will not damage desired plantings, either through misting or root absorption. To avoid drift that may injure desirable plants, do not apply during windy weather.

HOW TO APPLY: Shake well. Remove cap leaving spray top and spray directly on grass blades until wet. Not necessary to soak. A neat, straight edge may be easily and quickly applied — apply direct from container.

COVERAGE: Approximately 3,000 feet of 2-inch edging.

GREEN LIGHT LIQUID EDGER: Is a special formulation designed to provide the homeowner with an effective, fast-acting control of unwanted creeping grass. May be used right in and around desired plantings with no root damage. Kills on contact only.

WARRANTY

GREEN LIGHT COMPANY warrants that this material conforms to the chemical description on the label and is reasonably fit for use as directed thereon.
