PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS

KEEP OUT OF REACH OF CHILDREN

WARNING - Causes eye irritation. Harmful if swallowed. Do not get in eyes, on skin,
or on clothing.

FIRST AID - IF IN EYES, immediately flush eyes with plenty of water for at least 15
minutes. Call a physician. IF ON SKIN, flush with water. Wash clothing before reuse.

ENVIRONMENTAL HAZARDS - Keep out of lakes, streams, or ponds.

STORAGE AND DISPOSAL

Keep out of reach of children. Keep from freezing. Do not use empty container for
other purposes. Rinse empty container, wrap in newspaper and put in trash.

WEED AWAY is applied as a foliage spray for the control of most grasses, weeds, and brush.
Use in and around flower beds, walks, driveways, and around trees and shrubs. Use as a
spot spray only to individual weeds in lawns.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its
labeling.

READ AND FOLLOW LABEL PRECAUTIONS AND DIRECTIONS

APPLICATION: Adjust spray nozzle to stream or spray (turn to off when not in use). Hold
sprayer close to weed and spray to wet slightly; do not overspray. Some hard to kill
weeds and brush may need to be sprayed again in 4 weeks.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

READ AND FOLLOW LABEL PRECAUTIONS AND DIRECTIONS

APPLICATION: Adjust spray nozzle to stream or spray (turn to off when not in use). Hold sprayer close to weed and spray to wet slightly; do not overspray. Some hard to kill weeds and brush may need to be sprayed again in 4 weeks.

NOTE: Be careful when spraying weeds not to spray foliage or green bark of plants or trees and blades or runners of desirable lawn grasses. Do not apply when rain is expected within 8 hours. Do not water lawn within 24 hours. Do not allow children and pets in treated area until dry. This prevents tracking spray to desirable vegetation. Discoloration usually occurs in about 7 to 10 days and complete kill in 2 to 4 weeks.

Treated areas can be reseeded or planted 7 days after application.

TO REFILL: Mix 6 Tablespoons of WEED AWAY CONCENTRATE in one (1) quart of water. Use according to above directions.

ACCEPTED

MAY - 5 1986

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under
EPA Reg. No. 869-207
