**IMPORTANT:** Do not use this product for controlling weeds in vegetable gardens, flower beds or around shrubs or ornamental plants. Do not apply to Dichondra, Lippia and Clover lawns. Do not apply when temperatures are expected to exceed 90°F, or if rain is expected to occur within 24 hours following application.

Weeds in newly seeded lawn may be sprayed after lawn has been mowed 3 times.

**HOW TO USE:** Aim at center of weed and spray to wet. Hold applicator about 6 inches from surface to be treated and thoroughly wet. To obtain wider coverage raise container. One application should be sufficient. Effects begin to show after a few days and weeds gradually die. A repeat application may be required in 3-4 weeks for hard to control weeds.

TO PREPARE REFILL: Add 3 Tablespoons Green Light Wipe-Out<sup>®</sup> Concentrate to this empty quart container. Then add 30 oz. tap water and use according to directions on this label.
