Conditional

Name of Pesticide Product:
Green Light Grass & Weed Killer

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Green Light Company
P.O. Box 17985
San Antonio, TX 78217-0985

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes before you release the product for shipment:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 869-226".
- b. Add the statement "Do not apply directly to water" to the Environmental Hazards section.

Signature of Approving Official:

Date:
AUG 24 1995

204

3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Keep out of reach of children. Causes eye and skin irritation. Do not get in eyes, on skin, or clothing. Harmful if swallowed. Do not breathe spray mist.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED, drink promptly a large quantity of milk, egg whites, gelatin solution, or, if these are not available, drink large quantities of water. Avoid alcohol. Get medical attention. **IF INHALED,** remove victim to fresh air. **IF ON SKIN,** wash affected area with soap and water. **IF IN EYES,** flush eyes with plenty of water. Get medical attention.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and wildlife. Birds and other wildlife feeding in treated areas may be killed. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food, or feed by storage or disposal. Store in a cool, dry place in original container, preferably in a locked storage area out of reach of children and pets. **DISPOSAL:** Do not reuse empty container. Wrap empty container in several layers of newspaper and discard in trash.

1/11

GENERAL INFORMATION: Green Light Grass & Weed Killer kills unwanted grass and weeds in cracks of walks, driveways, and patios. Spray edges along walks, driveways, patios, around buildings, shrubs and flowerbeds, under fences and other areas where weeds are not wanted.

HOW TO APPLY: SHAKE WELL BEFORE USING. Green Light Grass & Weed Killer is ready-to-use. No mixing necessary. Turn adjustable spray nozzle to spray position. Use just enough spray to completely cover foliage of the target weed. It is not necessary to soak weed. Kills on contact only. Accidental spotting of desirable plants may be washed off or pruned at time of treatment. Reapply to perennial weeds when green color reappears. for best results, apply to weeds in early growth stage.
