Green Light Roach Powder is a long-lasting, odorless powder effective in killing roaches. The powder provides long-lasting protection from further infestations as long as it stays dry. Green Light Roach Powder sticks to the roaches it comes in contact with. These roaches then spread the powder to other areas where roaches multiply and hide. The end result is all roaches (seen and unseen) are killed. Allow 14 days for the control of roaches.

**DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Shake well before using. Any powder visible after application should be carefully brushed into cracks and crevices or removed. Reapply as necessary. Do not use where powder will become wet.

**HOUSEHOLD APPLICATION:** Remove all lower drawers in kitchen and bath, and scatter liberally in drawer wells. Spread ½ teaspoon in each corner of shelves. Use under cabinets, bookcases, dressers, behind range, dishwasher, refrigerator, washer and dryer. Also use in closets, garage and around window sills and door jams.

<b>STORAGE AND DISPOSAL</b>
<b>STORAGE:</b> Store only in original container, in a dry place inaccessible to children and pets. <b>DISPOSAL:</b> Do not reuse empty container. Securely wrap in newspaper and discard in trash.
