FIRST AID

- If inhaled**
- Move person to fresh air
 - If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
 - Call a poison control center or doctor for further treatment advice.

- If on skin or clothing**
- Take off contaminated clothing.
 - Rinse skin with plenty of water for 15-20 minutes.
 - Call a poison control center or doctor for treatment advice.

- If in eyes**
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
 - Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
 - Call a poison control center or doctor for treatment advice.

- If swallowed**
- Call a poison control center or doctor immediately for treatment advice.
 - Have person sip a glass of water if able to swallow.
 - Do not induce vomiting unless told to do so by the poison control center or doctor.
 - Do not give anything by mouth to an unconscious person.

HOTLINE NUMBER

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center at 1-800- 858-7378 for general information and/or medical information.

Green Light Roach Powder is a long-lasting, odorless powder effective in killing roaches. The powder provides long-lasting protection from further infestations as long as it stays dry. Green Light Roach Powder sticks to the roaches it comes in contact with. These roaches then spread the powder to other areas where roaches multiply and hide. The end result is all roaches (seen and unseen) are killed. Allow 14 days for the control of roaches.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Shake well before using. Any powder visible after application should be carefully brushed into cracks and crevices or removed. Reapply as necessary. Do not use where powder will become wet.

HOUSEHOLD APPLICATION: Remove all lower drawers in kitchen and bath, and scatter liberally in drawer wells. Spread ½ teaspoon in each corner of shelves. Use under cabinets, bookcases, dressers, behind range, dishwasher, refrigerator, washer and dryer. Also use in closets, garage and around window sills and door jams.

STORAGE AND DISPOSAL

STORAGE: Store in a locked storage area out of reach of children and domestic animals. Store in original container.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
