NOTE. Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered under Federal Insecticide, Fungicide, and Rodenticide Act, 7 U.S.C. 136(a)(7)(C) provided that you:

1. Submit and file with all data necessary for registration or reregistration of your product under FIFRA, sec. 3(c)(5) and file a copy of the registration or reregistration certificate to substantiate data.

2. Submit the label "FIFRA" certificate provided with this registration certificate to you and file the product label with you.

3. Submit form of label for your total product labeling with you for release to product for shipment, before the 1-79 deadline for the final designation of final total labelings.

If these conditions are not satisfied with the registration or reregistration, the registration or reregistration is subject to cancellation in accordance with FIFRA, sec. 3(c)(5) and you are to file a copy of the registration or reregistration certificate to substantiate data.

A detailed copy of the label is enclosed for your records.
