

DIRECTIONS:

Chlordane may be formulated as an oil solution, emulsion concentrate, dust or wettable powder as recommended.

CAUTION:

Harmful if swallowed. Contact with skin can cause toxic symptoms. Avoid contact with skin. Avoid breathing dust or mist from sprays. Do not contaminate foodstuffs or food containers.

Avoid contamination of livestock feeds.

ANTIDOTE:

EXTERNAL:

In case of spillage on skin, wash promptly with soap and water.

INTERNAL:

Emetic of 1 tablespoonful mustard in a tumbler of warm water. Call physician.

CONTAINER DISPOSAL

Rinse equipment and containers and dispose of wastes by burying in non-crop lands away from water supplies. Containers should be disposed of by punching holes in them and burying with wastes, or by burning. (Keep out of smoke.)

NOTICE:

Because Velsicol Chemical Corporation has no control over storage, handling, and conditions of use, which are of critical importance, Velsicol Chemical Corporation makes no representation or warranty, either express or implied, for results or residues greater than any tolerance which may be established by appropriate governmental agencies, due to misuse, improper handling or storage of this material. Nor does Velsicol Chemical Corporation assume any responsibility for injury to persons, crops, animals, soil or property arising out of misuse, improper handling or storage of this material.
