

## DIRECTIONS

For statements of formulations, insects controlled, and precautions in the use of Endrin, refer to Label Section Appendices of Technical Endrin Formulators Manual or see manufacturer's literature.

## WARNING

Poisonous by Skin Contact, Inhalation Or Swallowing. Rapidly Absorbed Through Skin. Do not get in eyes, on skin or on clothing. In case of contact, immediately remove all contaminated clothing and flush skin or eyes with plenty of water for at least 15 minutes; for eyes, get medical attention. Do not breathe dust or spray mist. Wash thoroughly with soap and water after handling and before eating or smoking; wear clean clothing. Do not apply or allow to drift to areas occupied by unprotected humans or beneficial animals. To protect fish and wildlife, do not contaminate streams, lakes or ponds with this material.

During commercial or prolonged exposure in spray-mixing and loading operations, wear clean synthetic rubber gloves and a mask or respirator of a type passed by the U. S. Department of Agriculture for endrin protection.
