

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals.

Caution. Harmful if swallowed. Avoid breathing spray mist. Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling. In case of contact, wash skin with soap and water; for eyes, flush with water for 15 minutes and get medical attention.

Environmental Hazard.

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by the cleaning of equipment or disposal of wastes. Apply this product only as directed on label.

IMPORTANT

Do not apply on or near desirable trees or plants or in locations where chemicals may be washed or moved in contact with their roots.

Avoid drift of spray (coarse sprays are less likely to drift) on to vegetables, flowers, ornamental shrubs, trees, and other desirable crop plants.

Do not contaminate domestic or irrigation waters.

Do not store in direct contact with fertilizer, seeds, insecticides, or fungicides.

Do not use on centipede grass, St. Augustine grass or dichondra nor on lawns or turf where desirable bentgrass or clovers are present. Newly seeded lawns may be treated after they have been mowed the second time.

To re-seed small areas in treated lawns, wait at least 3 weeks after spraying. A good rain or deep watering should occur during this period.

Use spray equipment for applying 2,4-D combinations only to turf. Read "LIMITED WARRANTY AND LIABILITY" before buying or using.
