### WARNING

Keep away from human beings, domestic animals, wildlife and pets. If swallowed by human beings, domestic animals, wildlife or pets, this material may reduce the clotting ability of the blood and cause bleeding. In such cases, the intravenous and oral administration of vitamin K combined with blood transfusions are indicated, as in the case of hemorrhage caused by overdoses of bis-hydroxycoumarin.

IN ALL CASES OF HUMAN INGESTION  
IMMEDIATELY NOTIFY A PHYSICIAN

### CONTAINER DISPOSAL

Do not reuse empty container. Containers should be disposed of by punching holes in them and burying with wastes or by burning (keep out of children's reach).

### NOTICE

This is a Restricted Chemical. Containers should be kept covered and locked and should be used only by authorized personnel. Do not use in areas where children, domestic animals, wildlife or pets are present. Do not use in areas where food is stored. Do not use in areas where food is prepared. Do not use in areas where food is served. Do not use in areas where food is consumed. Do not use in areas where food is stored, prepared, served or consumed. Do not use in areas where children, domestic animals, wildlife or pets are present. Do not use in areas where food is stored, prepared, served or consumed. Do not use in areas where children, domestic animals, wildlife or pets are present.

# VELSICOL Diphacin® 110-A
