

CAUTION

Harmful if swallowed. Contact with skin can cause toxic symptoms. Avoid breathing dust or spray mist. In case of contact with skin, wash with soap and water. Avoid contamination of feed and foodstuffs. Keep out of the reach of children.

Keep children or pets off treated turf until material has been washed into the soil by watering or rain and grass is dry.

Toxic to fish and wildlife. Birds feeding on treated areas may be killed. Keep out of any body of water. (Do not apply where runoff is likely to occur.) Do not use in any manner not specified on this label.

CONTAINER DISPOSAL

Rinse equipment and containers and dispose of wastes by burying in non-crop lands away from water supplies. Containers should be disposed of by punching holes in them and burying with wastes, or by burning. Keep out of smoke.

ANTIDOTE

EXTERNAL—In case of spillage on skin, wash promptly with soap and water.

INTERNAL—Emetic of 1 tablespoonful mustard in tumbler of water. Call a physician.

NOTICE

Because of the potential hazard of this material, over storage, and other conditions of use, which are of critical importance, the manufacturer's corporation makes no representation or warranty, either expressed or implied, for results or results greater than any tolerance which may be established by appropriate governmental agencies, due to the use, or proper handling or storage of the material. The manufacturer's corporation assumes no responsibility for injury to persons, crops, animals, and property, arising out of use, or improper handling or storage of this material.

C-10%G

GRANULES

FOR APPLICATION BY PROFESSIONAL
PEST CONTROL OPERATORS ON LAWN
AND TURF ONLY

ACTIVE INGREDIENT:

Technical Chlordane 10.0%

INERT INGREDIENTS 90.0%

TOTAL 100.0%

Equivalent to 6.0% Octachloro-4,7-methanotetrahydroindane and 4.0% related compounds

Net Contents: 50 Pounds

CAUTION

KEEP OUT OF REACH OF CHILDREN

See left panel for antidote and additional caution statements
