

CAUTION

Harmful if swallowed. Avoid contact with skin, eyes, and clothing. In case of contact, wash exposed skin with plenty of soap and water; flush eyes with plenty of water for at least 15 minutes and get medical attention. Keep out of reach of children.

CONTAINER DISPOSAL

Do not reuse empty container. The empty containers should be rinsed with water at least three times before disposal, and rinse water should be added to spray tank. Discard container in a safe place. Follow State Recommendations regarding container disposal.

IMPORTANT

Consult your State authorities for possible aerial application or other application restrictions. Do not apply (except as recommended) on or near desirable plants or in locations where the chemical may be washed or moved into contact with their roots. Applications by ground rigs and hand dispensers should be carried out only when there is no hazard from drift of product to susceptible plants such as beans, flowers, fruit trees, grapes, ornamentals, peas, potatoes, soybeans, sunflowers and tomatoes, during both the growing and dormant periods. (Coarse sprays are less likely to drift.) Do not contaminate irrigation ditches or water used for domestic purposes. Do not allow this product to come in direct contact with fertilizers, seeds, insecticides or fungicides. Consult your State Experimental Station or Extension Service Weed Specialists. To avoid injury to desirable plants, equipment used for BANVEL[®]-320 should be thoroughly cleaned before reuse to handle or apply any other agricultural chemicals.

Do not graze dairy animals on treated areas within 6 weeks after application.

Do not graze meat animals on treated areas within 2 weeks of slaughter.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

VELSICOL

BANVEL[®]

**WATER SOLUBLE INDUSTRIAL
FOR BRUSH AND BROADLEAF**

Contains 1 Pound Dicamba, 1 Pound 2,4-D and 1 Pound

ACTIVE INGREDIENTS:

| | |
|--------------------------------------|---------------|
| Dimethylamine salt of dicamba | 1.78 |
| (3,6-dichloro-o-anisic acid) | 1.72 |
| Dimethylamine salts of related acids | |
| Dimethylamine salt of 2,4- | |
| dichlorophenoxyacetic acid | 12.78 |
| Dimethylamine salt of 2,4,5- | |
| trichlorophenoxyacetic acid | 12.18 |
| INERT INGREDIENTS | 60.04 |
| TOTAL | 100.00 |
