WARNING
Keep out of reach of children. Hazardous if swallowed, inhaled or absorbed through the skin. Do not get in eyes, skin or clothing. Do not breathe vapor or spray mist. Wash thoroughly with soap and water after handling and before eating and smoking; wear clean clothing after use. Wear clean synthetic rubber gloves and a mask and respirator of a type passed by the U.S. Bureau of Mines for endosulfan protection during mixing, spraying and loading operations. Do not apply or allow to drift to areas occupied by unprotected humans or beneficial animals. Workers entering treated fields within 24 hours of application should wear protective clothing.

This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. Keep out of any body of water. Do not contaminate domestic or irrigation water by cleaning of equipment or disposal of wastes. Do not apply when weather conditions favor drift from area treated.

Workers entering treated fields within 24 hours of application should wear protective clothing.

This product is toxic to bees. Do not apply when bees are actively visiting the treatment area.

DO NOT USE OR STORE NEAR HEAT OR OPEN FLAME.
DO NOT STORE AT TEMPERATURES BELOW 20°F.

ANTIDOTE
EXTERNAL—In case of contact, immediately remove contaminated clothing and flush skin or eyes with plenty of water; for eyes get medical attention.
INTERNAL—If swallowed. Give a tablespoon of salt in a glass of warm water and repeat until vomit fluid is clear. Have victim lie down and keep quiet. Call a physician immediately.

NOTE TO PHYSICIAN: This product contains endosulfan which is a central nervous system stimulant and may cause convulsions. There is no specific antidote. Barbituric acid derivatives may be used in treatment.

CONTAINER DISPOSAL
Do not reuse empty container. Rinse equipment and container and dispose of wastes by burying in noncropland away from water supplies. Dispose of container by perforating and crushing and burying with wastes.

NOTICE
Because Velsicol Chemical Corporation has no control over storage, handling, and conditions of use, which are of critical importance, Velsicol Chemical Corporation makes no representation or warranty, either express or implied, for results or residues greater than any tolerance which may be established by appropriate governmental agencies, due to misuse, improper handling or storage of this material. Nor does Velsicol Chemical Corporation assume any responsibility for injury to persons, crops, animals, soil or property arising out of misuse, improper handling or storage of this material.
WARNING

This product is toxic to birds and wildlife. Birds feeding on treated area may be killed. Keep out of any body of water. Do not contaminate domestic or irrigation water by cleaning of equipment or disposal of wastes. Do not apply when weather conditions favor drift from area treated.

This product is toxic to bees. Do not apply when bees are actively visiting the treatment area.

DO NOT USE OR STORE NEAR HEAT OR OPEN FLAME.

DO NOT STORE AT TEMPERATURES BELOW 20°F.

ANTIDOTE

EXTERNAL - In case of contact, immediately remove contaminated clothing and flush skin or eyes with plenty of water. If symptoms persist, seek medical attention.

INTERNAL - If swallowed, get a cup of water and hold in mouth, then repeat until vomit. If vomit contains the liquid, do not induce vomiting and keep quiet. Call a physician immediately.

NOTE TO PHYSICIAN: This product contains an azo dye. A patient may show temporary skin and eye discoloration.

CONTAINER DISPOSAL

Do not remove empty container. Rinse equipment and container and dispose of in a sanitary waste disposal area or in a approved waste treatment facility. Do not contaminate bodies of water.

NOTE

The manufacturer and lead importer do not represent that this product is registered for or approved for use in all areas to which it may be distributed. Inasmuch as the method of application may vary, due to the presence of many non-natural surfaces, the condition of this product at the time of application may vary. Therefore, it may be necessary to adjust the application of this product to meet the needs of the area.
## DIRECTIONS FOR USE

Make application when insects first appear, and repeat applications as necessary. (Do not exceed the maximum number of applications listed on the label.) For ground applications, use a minimum of 20 gallons of water per acre. For aerial applications, use sufficient water to make 1 gallon of finished spray per acre to be treated.

### Crop | Insect | Rate of Application | Limitations | Crop | Insect | Rate of Application | Limitations
--- | --- | --- | --- | --- | --- | --- | ---
**Apples**
- Apple aphid
- Brown apple aphid
- **Rate** 1 quart (1 1b. endosulfan) per 100 gallons of water
- **Limitations** Do not apply more than 2 applications during the fruiting season. Do not apply within 21 days of harvest.

**Peaches**
- Peach tree borer
- Nectarine
- **Rate** 1 quart (1 lb. endosulfan) per 100 gallons of water
- **Limitations** Spray at bark areas from ground level to tree canopy as necessary. Do not apply within 21 days of harvest.

**Cabbage**
- Green peach aphid
- **Rate** 1 quart (1 lb. endosulfan) per 7 days of harvest
- **Limitations** Applicable

**Cotton**
- Spotted bollworm
- **Rate** 1 quart (2 lb. endosulfan) per acre
- **Limitations** Apply within 7 days of harvest.

**Broccoli**
- Brassica close
- **Rate** 1 quart (1 lb. endosulfan) per acre
- **Limitations** Do not apply more than 2 applications per season.

**Lettuce**
- Diamondback moth
- **Rate** 1 quart (1 1b. endosulfan) per acre
- **Limitations** Do not apply more than 3 applications per season.

**Fruit trees**
- Black cherry aphid
- Peach wilt
- **Rate** 1 quart (1 lb. endosulfan) per acre
- **Limitations** Do not apply more than 2 applications during the fruiting period. Do not apply within 30 days of harvest.

**Root crops**
- Black cherry aphid
- **Rate** 1 quart (1 lb. endosulfan) per acre
- **Limitations** Do not apply more than 2 applications per season. Do not apply within 4 days of harvest.

### WARNING

**KEEP OUT OF THE REACH OF CHILDREN**
