**ACTIVE INGREDIENT:**  
Endosulfan\* ..... 94%

**INERT INGREDIENTS:**  
Inert products ..... 6%

**TOTAL** ..... 100%

\*Hexachlorocyclopentadiene-2,4,3-

NET CONTENTS: 200 LBS.

E.P.A. Reg. No. 876-201AA

**KEEP OUT OF REACH OF CHILDREN**

**SEE ANTIDOTE STATEMENT AND  
OTHER PRECAUTIONS BELOW**

**ACCEPTED**  
NOV 20 1975  
Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, the pesticide registered under EPA Reg. No. 876-201AA

Keep out of reach of children. Pesticides should not be inhaled or absorbed through the skin. Do not get on bare skin or clothing. Do not breathe vapors or spray mist. Wash thoroughly with soap and water after handling and before eating and smoking; wear clean clothes after use. Wear clean synthetic rubber gloves and a mask and respirator of a type passed by the U.S. Bureau of Mines for endosulfan protection during mixing, spraying and handling operations. Do not apply or allow to drift to areas occupied by unprotected humans or beneficial animals.

This product is toxic to fish, birds and other wildlife. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

**DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME. DO NOT STORE AT TEMPERATURES BELOW 20°F.**

### ANTIDOTE

**EXTERNAL** - In case of contact, immediately remove contaminated clothing and flush skin or eyes with plenty of water; for eyes seek medical attention.

**INTERNAL** - **NOTE TO PHYSICIAN:** This product contains endosulfan, which is a central nervous system stimulant and may cause convulsions. There is no specific antidote. Barbiturates and diazepam may be used in treatment.

### CONTAINER DISPOSAL

Do not reuse empty containers. Return empty containers to the manufacturer or to a waste disposal company. Do not burn and do not use for any other purpose. Dispose of containers and contents with waste.

### DIRECTIONS FOR USE

For use on insects on plants, use as directed on the label and follow the instructions on the product label. See the label for the most complete information on use, application, and safety.

NOTE: For information on the proper use of this product, consult the label and the manufacturer's literature.

**NOTICE** - Be advised that the use of this product is restricted to the use specified on the label. The manufacturer does not assume any liability for damage to crops, property, or persons resulting from the use of this product when used in accordance with the label directions. The manufacturer does not assume any liability for damage to crops, property, or persons resulting from the use of this product when used in accordance with the label directions. The manufacturer does not assume any liability for damage to crops, property, or persons resulting from the use of this product when used in accordance with the label directions.
